Name: Ambily Elizebeth George

Designation and Department: Assistant Professor,
Department of Zoology

Date of Joining: 14-07-2014

Contact info: Poovathumkal (H) , Thekkummala,
Kadalikadu p.o , Vazhakulam, Muvattupuzha-686670

Phone: 9744763434

Email:

ambily@nirmalacollege.ac.in

Teaching Experience in years: 6 years in Nirmala
College, Muvattupuzha

Details of Promotions: Nil

**Academic Credentials – From Degree to the highest
academic qualification**

Ongoing **Ph. D in Zoology** in the Department of Zoology,
University College, Palayam, Trivandrum.

Title- Studies on the taxonomy and ecology of four tribes of the
subfamily Oscinellinae (Diptera: Chloropidae) from India.

Masters in Zoology (specialization in **Entomology (2006-
2008)**)

Department of Zoology, Loyola College, Chennai
(University of Madras)

Bachelors in Zoology (2003-2006)

Nirmala College, Muvattupuzha

Scopus ID or Any Other Research ID:

https://www.researchgate.net/profile/Ambily_George/research

Areas of Interest

- a. **Teaching:** Genetics and Molecular biology
- b. **Research:** Entomology, Dipteran taxonomy

Subjects Taught: Cell biology and Genetics, Molecular Biology, Environmental Management, Protistan Diversity

Institutional Responsibilities (Past and Present - Time period should be mentioned)

Criterion 5 : NAAC Steering Committee member.

Co-Ordinator, Scholar Support Programme (2014-2019)

a. Research Papers

Year	Title	Name of the Journal	Volume/Issue/ doi unumber	Remarks (CARE list number or Scopus Number)
2013	Revision of genus <i>Ceraiis</i> van der Wulp (Diptera: Chloropidae: Chloropinae: Mindini) with description of two new species from India., Krakow.	<i>Actazoologica craco viensia</i>	56 (2)	
2014	Studies on two species of the genus <i>Elachiptericus</i> Becker (Diptera: Chloropidae: Mepachymerini) from the Oriental Region	<i>Biosystematica</i>	25-29	
2013	First record of the genus <i>Gaurax</i> Loew (Chloropidae: Oscinellinae: Botanobiini) from India with descriptions of six new species.	<i>Entomon</i>		
2014	New generic placement under tribe Tricimbini (Chloropidae: Oscinellinae) and description of a new	<i>Biosystematica.</i>	7 (2)	

2017	species of <i>Tricimbomyia</i> Cherian from India A study on the diversity of Lepidoptera in Periyar Tiger Reserve, Kerala,	<i>Sci & Soc.</i>	15 (2)	
------	---	-----------------------	--------	--

b. Details of Paper Presentations (Table can be inserted according to specific needs)

1. “A study on the diversity of Lepidoptera in Periyar Tiger Reserve, Kerala” National Seminar on Environment Concerns and Management, Organised by Post Graduate Department of Zoology, Nirmala College, Muvattupuzha from 29th to 30th November 2017.

c. Details of MOOC Courses Completed

Pyramids of Giza: Ancient Egyptian Art and Archaeology. HarvardX. (edX)
