

**CAREER GUIDANCE AND PLACEMENT CELL
NIRMALA COLLEGE MUVATTUPUZHA**

ANNUAL REPORT 2014- 15

The Career Guidance and placement cell organised various programmes and created a lot of career opportunities for the final year students in the academic year 2014-2015. Training programmes and workshops on higher study options and job opportunities were conducted for the UG and PG students to equip them with better educational and career choices.

Soft skill training programmes

The placement cell in association with various Departments organised Soft Skill development programmes to motivate the students. The department of Commerce in association with Placement cell conducted soft skill development programme for the under graduate and post graduate students on July 8, 2014. The programme was led by Mr. Jacob Mathew and his team. The programmes envisaged to help the students in recognising their present level of skills and help them in enhancing their potential.

Personality development programmes

The placement cell in association with the Department of Communicative English, Commerce and Tourism, arranged personality development programmes for the students of respective departments. The programmes focused on personal growth, interpersonal effectiveness and skills that are vital for placement and career growth.

Career guidance programme - Pathway to Success

A career guidance programme – Pathway to success for the final year students was organized on 14 January 2015. Prof. Sunil Yemmen, Head Dept. of Social Sciences, St. Joseph College, Payyanur was the Resource person. The programme benefited the students to face interviews and gathered knowledge on aptitude skills.

Guidance for Competitive examinations

Placement Cell in association with Nirmala Institute of Competitive Studies organized various activities to improve skills of students for preparing competitive examinations. Coaching classes are conducted for bank Probationary officers, clerical examinations and other competitive examinations to make the students competent.

5.1.4 Report of Guidance for Competitive Examination and Career Counselling

Campus recruitment drives

The main objective of the Placement cell is to provide personal and career related support to the students with special emphasis on training the students on employability skills and to provide placement in various Industries/Organizations by arranging campus recruitment drives. Aptitude & Soft skills Training Programmes were conducted to prepare the students to face Campus Recruitment process. The South Indian Bank Clerical Recruitment Drive was conducted on August 5 - 7, 2014, attended by 750 students. During the academic year a Mega Job fare was also conducted and 1227 students benefited through the programme. During the year 2014-15, 102 passed out students in different batches got placements in various reputed institutions through off- campus placements. The programmes organised by the placement cell in the current academic year provided a wonderful platform for the students to enhance their employability skills. **CAREER GUIDANCE AND PLACEMENT CELL
NIRMALA COLLEGE MUVATTUPUZHA**

ANNUAL REPORT 2018- 19

The Career and Placement Cell organised several activities during the year 2018-19 with a clear objective of motivating and inspiring the students to achieve their career goals. Activities of this academic year included lectures by eminent scholars, motivating classes, personality development programmes, soft skill development programmes and pre- placement training. The programmes provided platform for the students to enhance their skills such as; leadership, self- confidence, team building, time management, effective communication, conflict management and cognitive ability.

Orientation programme for civil service aspirants

The Placement cell in association with Nirmala Civil Service Academy conducted an orientation programme for Civil Service Aspirants on 3 August 2018. Sri. Jojo Mathew, IAS the premier civil service trainer and Mentor, ALS New Delhi, was the resource person. The programme provided handy tips for the preparation of the pre and main examination, as well as addressed queries like how to prepare for the interview; how to select exact reading material, what to read etc. during the interaction session.

Three-day workshop on different dimensions of soft skill development

The Career Guidance and Placement cell in association with career guidance and employment bureau of M.G. University organised a three-day workshop on different dimensions of soft skill development on 30 & 31 August and 03 September 2018. The programme aimed at imparting knowledge and skills to students to make them educated and employable. Sri. Anil Menon and Sri. Neji Cherian were the resource persons and 65 final year UG and PG students attended the programme.

Personality development training programme

The Placement cell in association with Rotary Club, Muvattupuzha, arranged a personality development training programme for I year UG students on 15 October 2018. Sri. Joy Manuel was the resource person. The programme aimed to teach participants to work

5.1.4 Report of Guidance for Competitive Examination and Career Counselling

effectively with various professionals, people and groups and enhance their communication skills and interpersonal skills in order to function in professional and social settings effectively.

Training for competitive examinations

Placement Cell in association with Nirmala Institute of Competitive Studies organized various activities to improve skills of students for preparing competitive examinations. Coaching classes are conducted for bank Probationary officers, clerical examinations, UGC-NET and other competitive examinations.

Placement cell gave necessary guidelines for students in attending placement programmes in other campuses. 102 Students got placed in different campus pool recruitment drives conducted at various colleges. Placement list of students during this academic year is given below

COACHING FOR THE JOINT ADMISSION TEST (JAM) FOR MSc. ADMISSION
REPORT 2017-2018

Department of Physics, Nirmala College, Muvattupuzha conducted coaching for the students interested to appear for the joint admission test. Mr. Titu Thomas was the teacher in charge of coaching. The coaching commenced on 29/06/2017. The course was scheduled from Monday to Friday from 8.45 am to 9.45 am. Twenty eight students attended the coaching. Detailed discussion and problem-solving session of the following topics were done:

- **Classical and Quantum Mechanics:** Lagrangian and Hamiltonian Formulations of Classical Mechanics, General Formalism of Quantum Mechanics, Schrödinger equation and its applications
- **Digital Electronics:** Boolean algebra and logic gates, Combinational and Sequential logic
- **Thermal and Statistical Physics:** Equation of state for gases, laws of thermodynamics, Thermodynamic relations, Statistical mechanics
- **Electricity and Electrodynamics:** Alternating Current and Network Theorems, Electrostatics and Magnetostatics, Maxwell's Equations and Electromagnetic wave propagation

The coaching enhanced the conceptual understanding and problem-solving skills of the students. The students actively participated in coaching. Special doubt clearing classes were also conducted. Continuous monitoring and performance analysis were done to enable the students to write the examination. The coaching was completed on 28/07/2017.

COACHING FOR THE JOINT ADMISSION TEST (JAM) FOR MSc. ADMISSION

REPORT 2018-2019

Department of Physics, Nirmala College, Muvattupuzha conducted Joint Admission Test (JAM) coaching for the students interested to appear for the test. Mr. Titu Thomas was the coordinator and teacher in charge of the coaching. The coaching was commenced on 20/06/2018. The course was scheduled from Monday to Friday from 8.45 am to 9.45 am. Thirty students attended the coaching. Conceptual development and problem-solving session of the following topics were done:

- **Optics:** Interference, Diffraction, Polarization
- **Classical and Quantum Mechanics:** Lagrangian and Hamiltonian Formulations of Classical Mechanics, General Formalism of Quantum Mechanics, Schrödinger equation and its applications
- **Electricity and Electrodynamics:** Alternating Current and Network Theorems, Electrostatics and Magnetostatics, Maxwell's Equations and Electromagnetic wave propagation
- **Relativity and Molecular Spectroscopy:** Special Theory of Relativity, Molecular, and Atomic Spectroscopy

Continuous monitoring and performance analysis individual students were done to enable them to write the examination with confidence. Special doubt clearing classes were also conducted. The previous question papers were analysed and students were given various easy techniques to find the solution of the numerical problems. The coaching was completed on 30/07/2018.
