3. Completion Date

MeshiLogic and the Client agree to work together to complete the Software Project in a timely manner. MeshiLogic agrees to work expeditiously to complete the Software Project on confirmation received from the client through a purchase order.

On receiving the Purchase Order Meshilogic will install the software in the clients web hosting space within one week and the implementation of the software will be completed within 2 months of installation. Training for the concerned staff of the client

will be completed within the implementation period. Meshilogic will not be responsible in delayed implementation of the software due to delay in getting data from the client or client not providing necessary arrangements for training of its staff and/or non availability of its staff for training.

4. Data Entry

College has to arrange staff for data entry. If soft copy of data is available, we shall convert the data programmatically into the system avoiding data entry in most cases if data available in Excel File.

5. Project Delivery

The final Software will be published on the Client's hosting service after which the final, outstanding payment becomes due. The Client understands that MeshiLogic will provide hosting services as part this Software project which will be free for the first year and can be renewed after one year at prevailing rates. If the client wishes to host the software in its own hosting space , owned or shared, the Client authorizes the hosting service to allow MeshiLogic full access to the Client's account via FTP {File Transfer Protocol). The Client will be solely responsible for any and all domain registration/renewal and hosting service charges.

6. Payment Schedule

Payment for services shall be made in accordance with the conditions of MeshiLogic's Package. Price of **Rs.2,88,000.00** plus tax @5%. The Client agrees to make an advance payment of 50% of the said amount. Final payment will be due as soon as the software project has been implemented in the client's institution. (i.e on completion of installation, implementation, training to the concerned staff and completion of user acceptance test).

7. License Ownership

On completion of the project and full payment the client will get the license to use the software on perpetual basis. The client acquires the ownership of the software excluding the ownership of source code of the software.

8. Software Support and AMC

The deployed software will be provided with a 1 year warranty period. Warranty starts next day of the acceptance testing on customized module completed by users in the application. During the warranty period if the deployed software is not performing in accordance with functional requirements it will be rectified without any additional cost. Any major enhancements or changes will not be part of the warranty and will be managed through the change management process. Additional requirements or customization works are subject to charge extra.

On completion of one year free support system can be maintained with (Annual Maintenance Contract) for one year with approximately 18% of the total project cost in which Meshilogic will install updates and minor changes without additional charges. AMC shall not be applicable if the client opted for subscription based rating.

a) Free Support period will start from the date of completion of data upload and training to the concerned staff.

b) AMC is calculated on a calendar year basis and payable annually. Meshilogic will invoice them on the 1st day of the month of commencement of AMC and should receive payment by 31st of that month for the relevant year.

c) AMC for a part year will be calculated proportionately based on the number of days left in the year.

d) Charges for hosting space are not part of AMC

e) Customization requirements are not part of AMC or Free Support

f) Repairs due to network and/or problems related to third party softwares (other than 'Online TCS' software provided by Meshilogic) are not part of AMC or Free Maintenance support during first year.

g) AMC or Free support will not cover any damages due to unauthorized repairs of the software or attempted repair of the software carried out by the client.

h) Total customization charges for a year is calculated based on the customization invoice raised in the year and also the percentage of completion of each customization work till year end.

i) Total customization charges in the previous year will be added to project cost calculation in the succeeding year only, providing one-year free support, and thereafter, AMC shall be calculated based on the new project cost.

j) The maintenance charge (AMC) percentage may be revised annually according to market and currency value.

k) Service Taxes applicable from time to time will be extra on AMC charges mentioned above

This Agreement

This agreement constitutes the sole agreement between MeshiLogic and the Client regarding this Web site Project. Any additional work not specified or any other amendment or any modification to this contract must be authorized by a written request signed by both parties.

The undersigned hereby agrees to the terms, conditions and stipulations of this agreement on behalf of the business of the concerned parties.

This Agreement constitutes the entire understanding of the parties. Any changes or modifications thereto must be in writing and signed by both parties.

ⓘ Quote of the Day

Coming together is a beginning; keeping together is progress; working together is success.

Henry Ford

A college education shows a man how little other people know. Education is not preparation for life, education is life itself.
