FACULTY DEVELOPMENT PROGRAMME Socio- Cultural Relationship and Official life

Delivered by

Dr. M.C. DILEEPKUMAR

Hon. Vice Chancellor, Sree Sankara Sankrit
University, Kalady

On 26th March 2014 at 10. am
Msgr. Thomas Nedumkallel Auditorium
Nirmala College, Muvattupuzha

Organised by

INTERNAL QUALITY ASSURANCE CELL

As part of

23rd Msgr. THOMAS NEDUMKALLEL
MEMORIAL LECTURE

Msgr. Thomas Nedumkallel (1906-1991)

The time was when Msgr. Thomas Nedumkallel of revered memory shone like a star of extraordinary brilliance blazing a trail in the sphere of higher education. A gifted teacher, educationist, linguist, powerful public speaker with a silver tongue and able writer wielding a facile pen, he will remain a source of inspiration and appeal to all. He was born in a noble family at Kalloorkad in Ernakulam District on 6.10.1906.

After his schooling, he joined the prestigious St. Joseph's College, Trichinopoly and was awarded the Bachelor's Degree in Chemistry by Madras University. In response to his Divine Master's call he joined the Sacred Heart Seminary, Ernakulam and then moved on to St. Joseph's Apostolic Seminary, Aluva and took Holy Orders on 16.11.1936. After ordination he pursued his studies and acquired the laurels of Master's Degree in Malayalam and Sanskrit. Not long after, he, for the furtherance of the cause of education embraced the teaching career and joined the staff of St. Mary's High School, Aluva. It was during his tenure as Headmaster at St. Mary's High School, Koratty, the Government of Kochi assigned to him, in recognition of his talents, the post of Director of a short-term Graduate Teachers' Training Course. On 29.6.1953 the then Archbishop of Ernakulam, Mar. Augustine Kandathil, appointed him the Principal of the newly erected

Nirmala College, Muvattupuzha in which cadre he continued till his retirement on 31.05.1970. He was not only the first Principal of this reputed Arts and Science College but also its Chief Architect. It was his foresight and constructive optimism that gave Nirmala 'a local habitation and a name'. Under his able direction Nirmala was fortunate enough to steer clear off the rocks and shoals, the wily currents and boisterous waves, the sudden storms and blinding fogs that confronted in her onward progress. On his retirement from Nirmala College, Muvattupuzha his services were requisitioned by St. Thomas Apostolic Seminary, Kottayam where he was the professor of Malayalam and Sanskrit for 15 years.

He brought out creative works like *Asramathil*, *Bharathiabhimukhyam*, *Bharatiya Dhyanyogam*, *Suryakantham*, *Chirakuvaccha Vakkukal*, *Smarana Darpanam*, *Krishthunama Sahasram*, *Mahatwa geetam* and 'Visa'. As an experienced teacher he succeeded in inculcating in young people a genuine love and taste for language and literature. He was called to eternal rest on 27.04.1991.

Honourable Friends,

We, on behalf of Nirmala fraternity

cordially invite you to

the 23rd Msgr. Thomas Nedumkallel

Memorial Lecture which will be held on

Wednesday, 26 March, 2014 at 2.00 pm

at Nirmala College Auditorium.

28
MARCH
2014

Nirmala College, Muvattupuzha is a first grade college which has completed 61 years of glorious service to the cause of higher education. The College celebrated the golden jubilee in the academic year in 2002-03 and treads on to conquer new heights in the path of academic excellence.

Towering aloft on the peak of a high hill, surrounded by luxuriant vegetation, intermingled by shady trees and distant from the clamour and confusion of the city, stands Nirmala college; the beacon light of learning and scholarship. Renowned for its picturesque landscape and tranquil serenity, the College provides a congenial atmosphere for study and research.

The Department of Botany was established in 1957. The department offers B.Sc. Degree in Botany with Phytochemistry and Pharmacognosy as special paper. It has always maintained good academic results. The department undertakes research projects and extension activities. It also offers UGC sponsored add on course in Rural Eco-Management, consultancy services to Kottacherril Pharmaceuticals, in mushroom cultivation, identification of medicinal and other plants.

Organizing Committee

- Mar. George Madathikandathil

UGC, NEW DELHI
Sponsored
National SEMINAR ON
Beneficial Fungi
with special reference to Mushroom
Cultivation, Mycorrhiza and Fungal
Bio-Control Agents

December 4th & 5th 2014

Organised by
Department of Botany
Nirmala College, Muvattupuzha
(Reaccredited by NAAC with B Grade
Affiliated to Mahatma Gandhi University, Kottayam)
E-mail : nirmalacollege@gmail.com
Website : www.nirmalacollege.ac.in

in collaboration with
Indian Farmer's Movement (INFAM), Kerala

Dear Sir/Madam,

Fungi are among the most evolutionarily and ecologically diverse organisms on the planet, providing valuable ecosystem services through their decomposition of organic matter, symbiotic associations with numerous plant and animal species, and as food sources. Moreover, it has much relevance in today's agriculture which faces an alarming rate of destruction. Thus, the fascinating rich fungal resources have a great impact on human health, development and economy. Though fungi figured prominence in academic curriculum, with the inceptions of new generation courses, its significance has been sidelined or marginalized to a great extent.

Keeping these aspects in mind the Botany Department of Nirmala College, Muvattupuzha is organizing a two day National Seminar with the generous support of University Grants Commission, New Delhi. The seminar aims to bring together experts, research scholars, students and general public on a single platform and provide a scientific insight to the agricultural significance of fungi, mycorrhizae, mushroom biology and its cultivation.

We cordially invite the faculty members, research scholars and students to participate in the seminar.

Rev. Dr. Vincent Joseph
Principal

Ms. Ansy P.S. (H.O.D)

FACULTY DEVELOPMENT PROGRAMME CONVENTIONAL AND INNOVATIVE PRACTICES IN STATISTICS

24th October 2014

Organised by

DEPARTMENT OF STATISTICS &
INTERNAL QUALITY ASSURANCE CELL
Nirmala College, Muvattupuzha,
www.nirmalacollege.ac.in

&

OLD STUDENTS FORUM (OSF),
DEPARTMENT OF STATISTICS,
Cochin University of Science and Technology

Sir/Madam

The Department of Statistics, Nirmala College, Muvattupuzha and Old Students Forum, CUSAT jointly organize a seminar on Conventional and Innovative Practices in Statistics on 24th October, 2014. Prof. N. Unnikrishnan Nair, former Vice- Chancellor, CUSAT, Cochin, inaugurates the seminar and he will be the chief resource person.

Participation of research scholars, faculty members and Post graduate Students in Statistics from your esteemed institution is solicited.

Yours Sincerely

Dr. Vincent Joseph
Principal

Prof. P. G. Sankaran
President, OSF Statistics, CUSAT

Ms. Sophy Thomas
HoD, Department of Statistics

ABOUT THE OLD STUDENTS FORUM

The Old Students Forum (OSF) of Department of Statistics, Cochin University of Science and Technology, came into being in 1996, with the aim of creating awareness of the prospects of Statistics among the students and academicians of the Kerala state. OSF is actively engaged in conducting seminars, workshops, quiz competitions and other academic activities across the state.

ABOUT THE DEPARTMENT

The Post Graduate Department of Statistics was started in Nirmala College Muvattupuzha in 1984 and was elevated as a research centre in 2009. The department has made significant contributions in the field of training, research and applications of Statistics.

Programme

10.00 am		: Inauguration
	Invited Talks	
10.15 am	Prof. N. Unnikrishnan Nair	: Sufficiency
11.30 am	Prof. N. Balakrishna (CUSAT, Cochin)	: Time Series Analysis
2.00 pm	Dr. S.M. Sunoj (CUSAT, Cochin)	: Multivariate Techniques
3.15 pm		: Valedictory Function

Nirmala College Muvattupuzha

Nirmala College Muvattupuzha is a first grade college which has completed 60 years of glorious service in higher education. The college is situated in Avoly Panchayat of Muvattupuzha Taluk in Ernakulam district. It was founded in 1953 by His Grace Most Rev. Dr. Augustine Kandathil, Arch Bishop of Ernakulam to meet the educational needs of the eastern districts of north Travancore, at a time when higher education was an immaterialized dream of the ordinary people living in the village and its suburbs. In 1955 the college was raised to first grade by starting B A, B.Sc and B.Com Courses. Post Graduate Courses were introduced in 1965 and five departments provide research facilities. The College is affiliated to Mahatma Gandhi University, Kottayam and is nationally accredited by NAAC with B grade.

Department of Hindi

The Department of Hindi was started in the college as early as 1958. Under graduate programme was started in 1984 and post graduate programme in 1999. The department was recognized as a Research department in 2005. There are ten faculty members in the department, of which eight are Ph.D. Holders.

About the Seminar

All Human beings are born free. The recognition of human freedom and equality is the foundation of Human Rights. But in the present social situation human liberty is curtailed for various reasons around the world, which calls forth active discussions in social and academic circles. There are many groups and persons that have profoundly influenced Human Rights movements over the time. Besides this, in the present day literary outpourings, there are attempts to address the issues of Human Rights. So the Post Graduate and Research Department of Hindi, of Nirmala College attempts to generate a platform for discussions and interactions on the representation of Human Rights issues in Hindi Literature. The Seminar envisages to create a consciousness among participants, on the necessity of protecting Human Rights. We expect the active participation of Teachers, Research Scholars, Students and the Public in the Seminar.

ROLE OF LIBRARIES IN PROVIDING ACCESS TO E-RESOURCES

Venue: Nirmala College, Muvattupuzha
Date: 28th & 29th Nov. 2014

Organised by
Nirmala College Library

Muvattupuzha P. O., Ernakulam Dist., Kerala -686 661
(Accrdited by NAAC with grade B and Affiliated to M.G. University)
0485 2832361 (Office), 2836300, 2834689
e-mail : nirmalacollege@gmail.com
www.nirmalacollege.ac.in, www.nirmalacollege.org

ABOUT THE INSTITUTION

Nirmala College, Muvattupuzha is a first grade college which has completed 61 years of glorious service to the cause of higher education. The College celebrated the golden jubilee in the academic year 2002-03 and treads on to conquer new heights in the path of academic excellence.

The College is situated in Avoly Panchayat of Muvattupuzha Taluk in the district of Ernakulam. It was founded in 1953 by His Grace Most Rev. Dr. Augustine Kandathil, Arch Bishop of Ernakulam to meet the educational needs of the eastern districts of North Travancore, when higher education was the wildest dream of the ordinary people living in the villages and the suburbs. In 1955, the College was raised to First Grade by starting B.A., B.Sc. and B.Com courses. Post graduate courses were introduced in 1965 and research facilities are now available in five departments.

Now Nirmala is one of the foremost colleges in Kerala with over 2500 students and over 200 faculty members. The College is affiliated to Mahatma Gandhi University, Kottayam and is nationally accredited by NAAC at B grade (CGPA of 2.85) in March

ABOUT THE LIBRARY

Nirmala College Library offers students an excellent selection of books, journals and magazines on all subjects and Internet facilities. Hard bound volumes of the back issues of the leading journals and magazines are also available. The Library has a collection of over 60,000 volumes. The Library subscribes 190 journals and periodicals, both national and international. Book bank facilities are provided by the departments. The Library is fully computerised with circulation, information retrieval and Online Public Access Catalogue (OPAC). The N. LIST project provides access to e-resources to students, researchers and faculty. The users from college can access resource and download articles directly from the publishers' website once they are duly authenticated as authorised users through servers deployed at the INFLIBNET centre.

OBJECTIVES OF THE SEMINAR

- ▶ To realise the role of libraries in digital era
- ▶ To provide knowledge about the various e-resources available in the digital world.
- ▶ To understand the role of information-management in the digital environment.

RESOURCE PERSONS

FUNDAMENTAL DUTIES UNDER THE CONSTITUTION OF INDIA

Delivered by

JUSTICE KURIAN JOSEPH

Hon'ble. Judge, Supreme Court of India

On 2nd February 2015 at 10.30 am

Msgr. Thomas Nedumkallel Auditorium
Nirmala College, Muvattupuzha

Organised by

INTERNAL QUALITY ASSURANCE CELL

As part of

**24th MSGR. THOMAS
NEDUMKALLEL MEMORIAL LECTURE**

Msgr. Thomas Nedumkallel, the blazing star in the sphere of higher education, is an evergreen image in the heart of Nirmalites. A gifted teacher, educationist, linguist, powerful public speaker and an able writer, he remains a source of inspiration and appeal to all. He was born in a noble family at Kalloorkad in Ernakulam District on 6th Oct. 1906.

After his schooling, he joined the prestigious St. Joseph's College, Trichy and received the Bachelor's Degree in Chemistry from Madras University. In response to his Divine Master's call he joined the Sacred Heart Seminary, Ernakulam and then moved on to St. Joseph's Apostolic Seminary, Aluva and received Holy Orders, on 16th Nov.1936. After ordination he pursued his studies and acquired his Master's Degree in Malayalam and Sanskrit. Not long after, he, for the furtherance of education embraced the teaching career and joined the staff of St. Mary's High School, Aluva. It was during his tenure as Headmaster at St. Mary's High School, Koratty, that the Government of Kochi assigned to him, in recognition of his talents, the post of Director of a short-term Graduate Teachers' Training Course. On 29th June1953 the then Archbishop of Ernakulam, Mar. Augustine Kandathil, appointed him the Principal of the newly erected Nirmala College, Muvattupuzha, where he continued till his retirement on 31st May1970. He was not only the first Principal of this reputed Arts and Science College but also its chief architect. It was his foresight and constructive optimism that gave Nirmala 'a local habitation and a name'. Under his direction Nirmala was fortunate enough to clear off the rocks and shoals, the wily currents and boisterous waves, the sudden storms and blinding fogs confronted in her progress. On his retirement from Nirmala College, Muvattupuzha his services were requisitioned by St. Thomas Apostolic Seminary, Kottayam where he remained professor of Malayalam and Sanskrit for 15 years.

He brought out creative works like *Ashramathil*, *Bharatheeyaabhimukhyam*, *Bharatheeya Dhyanyogam*, *Suryakantham*, *Chirakuvaccha Vakkukal*, *Smarana Darpanam*, *Krishthunama Sahasram*, *Mahatwa Geetam* and 'Visa'. As an experienced teacher he succeeded in inculcating in young people a genuine love and taste for language and literature. He was called to eternal rest on 27th April 1991.

FACULTY DEVELOPMENT PROGRAMME
on

Queuing Theory

Date: 01 July 2015
Venue: Auditorium, Nirmala College

Organised by
DEPARTMENT OF MATHEMATICS & INTERNAL QUALITY ASSURANCE CELL
Nirmala College, Muvattupuzha

Dear Sir/Madam

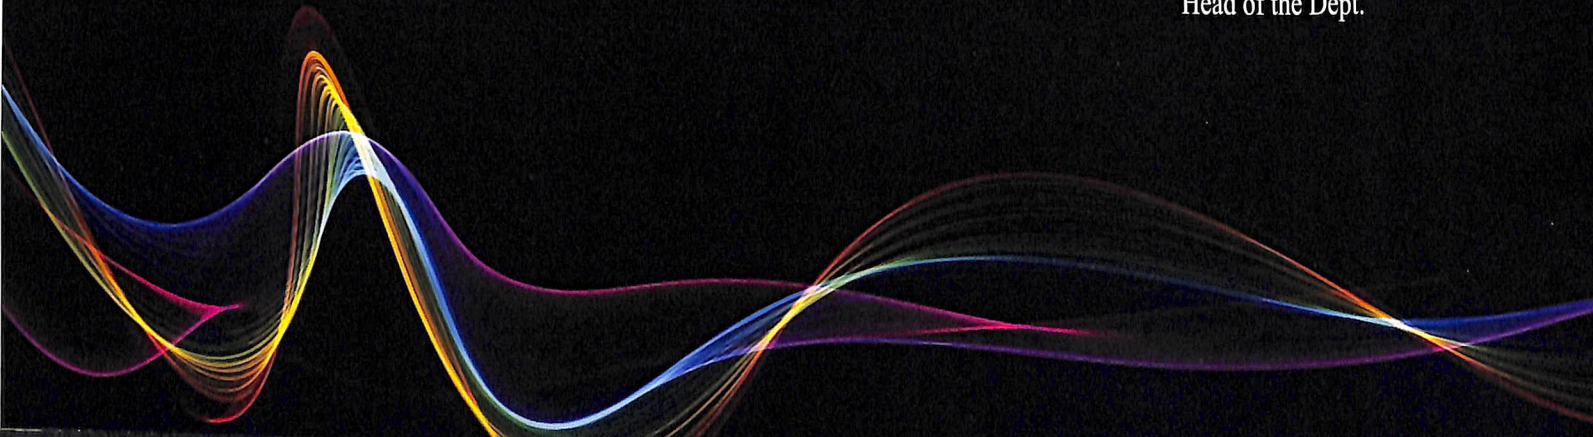

Queuing Theory, the Mathematical study of waiting lines or queues has seen great applications in telecommunication, Computing, Design of buildings etc. To update our knowledge in this field Dept. of Mathematics, Nirmala College is organising a one day seminar.

We solicit the active participation of the faculty of your esteemed institution.

Warm Regards.

Rev. Dr. Vincent Nedungattu
Principal

Prof. Soni Sebastian
Head of the Dept.

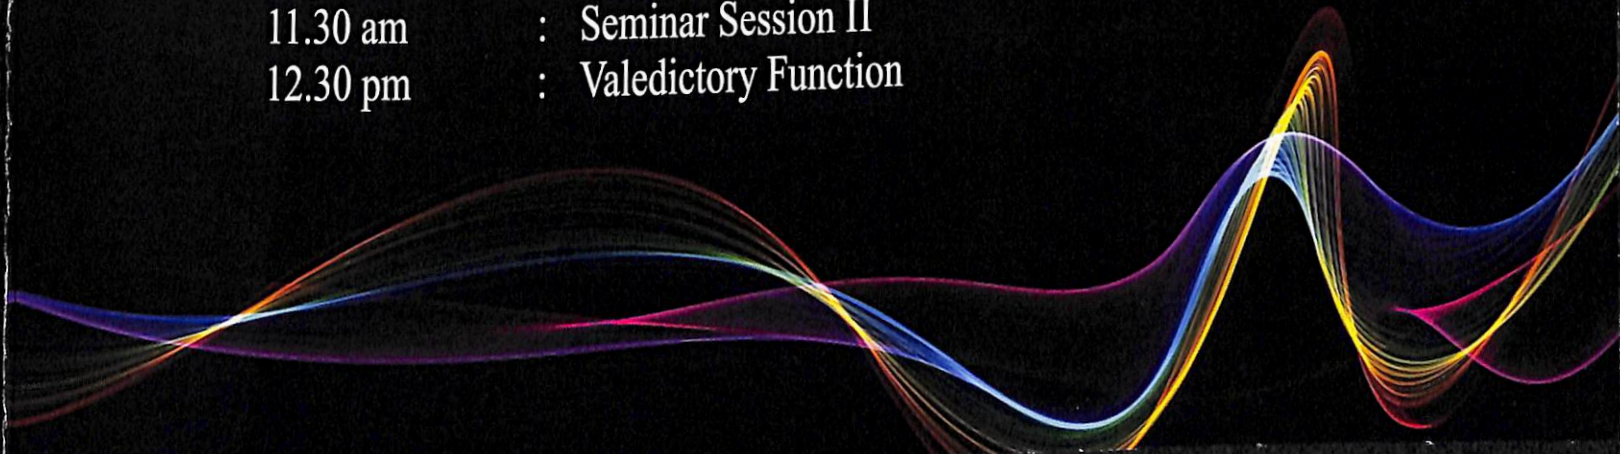

Programme

09.30 am : Registration
10.00 am : Inaugural Session
10.15 am : Seminar Session I

Topic : **Queuing Theory**

Resource Person : **Dr. K P Jose**
Dept. of Mathematics, St. Peter's College, Kolenchery

11.15 am : Tea Break
11.30 am : Seminar Session II
12.30 pm : Valedictory Function

About the College & Department

Nirmala College, Muvattupuzha is a first grade college which has completed 60 years of glorious service to the cause of higher education. The college Celebrated the Golden Jubilee in the academic year 2002-03 and treads on to conquer new heights in the path of academic excellence.

Nirmala college, managed by Diocese of Kothamangalam, established in the year 1953 is affiliated to the Mahatma Gandhi University, Kottayam. Kerala State. The college has 13 Departments and 5 Research Centres. The present faculty strength is 100 and students intake is more than 1900. The college offers Degree and Postgraduate courses in various disciplines and research faculties leading to the award of Ph.D. Degree. It also undertakes research projects, extension activities and consultancy service. The College has publication division 'Nirmala Academic and Research Publications'. (NARP) and publishes an interdisciplinary biannual journal, 'Science & Society' since 2003.

The Department of Mathematics started functioning 1955 and has proved its excellence with committed staff and dedicated students who bring laurels to the College.

11-09-2015 Friday

**Dr. SHAJU THOMAS AND Dr. SASIKALA K JOSEPH
ENDOWMENT LECTURE 2015**

Dr. Shaju Thomas and Prof. Sasikala K. Joseph, Endowment Lecture

Dr. Shaju Thomas and Prof. Sasikala K. Joseph, Endowment Lecture is instituted for conducting an Annual faculty development programme by an eminent scholar in biology mainly for the benefit of teachers of Nirmala College, Muvattupuzha. It is instituted jointly by Dr. Shaju Thomas, former HoD, and Dr. Sasikala K. Joseph, former Associate Professor, Department of Zoology, Nirmala College, Muvattupuzha and both of them retired from Service in March and May 2014 respectively

Dr. Shaju Thomas, former Head of the Department of Zoology (2008-14), Nirmala College Muvattupuzha was one of the pioneers who accelerated the growth of the department. He is an eminent scholar, famous environmentalist and a best teacher awardee. He was deeply involved in the “Save Pooyamkutty Campaign” (1984-1994), which resulted in protecting a vast stretch of the least explored forests in the Edamala-Pooyamkutty valley in Kerala from a huge hydro electric project. He has been associating with Prof. Madhav Gadgil, Indian Institute of Science, Bangalore since 1994 for monitoring and inventorying biodiversity of a part of the Western Ghats. At present, he is Head, Division of Environmental Education and Conservation, Tropical Institute of Ecological Sciences (TIES), Kottayam.

Dr. Sasikala K Joseph, former faculty, Department of Zoology, Nirmala College, Muvattupuzha is an academician. She is a well known taxonomist, and holding Ph D. degree on the topic “Systematics and ecology of freshwater copepods of Kerala”. She has done a pioneering work on copepods and discovered two new species from Kerala. Apart from a competent academician, scientist, she also proved her social commitment by actively involving various social organisations like Innerwheel of Rotary Club.

Dr. Mohamed Hatha is Associate Professor at Department of Marine Biology, Microbiology and Biochemistry, Cochin University of Science and Technology (CUSAT). He is also heading this department, which is an integral part of School of Marine Sciences. Dr. Hatha, a Fulbright Scholar at Michigan State University has lead the Indian Arctic Expedition in 2009 and visited Arctic again in 2011 as field participant. He has won Young Scientist Award instituted by Department of Science and Technology (DST), Govt. of India in 2002, and currently the Research Coordinator of Earth Science and Technology Cell (formerly Ocean and Atmospheric Sciences Technology Cell – OSASTC – funded by Ministry of Earth Sciences, Govt. of India) at CUSAT. Dr. Hatha has so far published 116 papers in leading national and international journals and also authored many books.

UGC Sponsored
Two Day National Seminar

**Political Economy of
Sustainable Development of
Kerala in the Context of
Gadgil-Kasturirangan Report**

29th to 30th October 2015

in collaboration with
**Advanced Centre of Environmental Studies
and Sustainable Development**
Mahatma Gandhi University, Kottayam, Kerala

About the College

• Nirmala College, Muvattupuzha is a NAAC Accredited, first grade College affiliated to Mahatma Gandhi University; Kottayam has completed 62 years of glorious service in the field of higher education. The college is located in a sprawling campus at Muvattupuzha, the eastern part of Ernakulam District, 35 kms from Cochin International Airport. The College has been instrumental in organizing diverse value-added programs for the holistic development of the academic fraternity for the last six decades.

About the Seminar

The Western Ghats or Sahyadri are a mountain range that runs almost parallel to the western coast of the Indian peninsula, located entirely in India. In view of the environmental sensitivity and ecological significance of the Western Ghats, Government of India appointed two expert committees to make recommendations for the conservation, protection and rejuvenation of the region. The two reports on the Western Hills prepared by Madhav Gadgil and Kasturirangan have made several recommendations to protect the Western Ghats spread across six states - Kerala, Tamil Nadu, Karnataka, Goa, Maharashtra and Gujarat. However, both of them ran into controversy and led to agonies and apprehensions among the immigrants. Now, the matter has been kept in abeyance. The issue was taken for discussion in policy spaces and there emerged civic responses from different parts of the nation. It is expected that this seminar will lead to serious discussions and deliberations which will enrich the academic community to understand varied perspectives of the issue and to address the agonies and apprehensions involved.

Rev. Dr. Mathew Thottiyil

Rev. Dr. Mathew Thottiyil, former Principal and Head of the Department of Chemistry, Nirmala College, Muvattupuzha was one of the pioneers who accelerated the growth of the department. Renowned for his knowledge in Chemistry and humane qualities, he led the department to great heights.

Rev. Dr. Mathew Thottiyil secured Ph.D. from the University of Manchester, England in 1965. He joined Nirmala College as Lecturer in 1967 and served as the Head of the Department of Chemistry and retired as Principal of the College in 1984. As a man so humane and innately simple, he found a sure place in the hearts of his students and colleagues. A veteran Professor, an ardent devotee of learning, a scientist with unswerving curiosity and inquisitiveness, Rev. Dr. Mathew Thottiyil was a very lovable personality – artless and naive to the core with no pretensions. He was called to his heavenly abode on 10th November 2000 leaving a void in the hearts of many.

Vijay Nair has Ph. D. degrees from Banaras Hindu University (with Prof. R. H. Sahasrabudhey) and the University of British Columbia (with Prof. J. P. Kutney) and he was a postdoctoral fellow with Professor Gilbert Stork at Columbia University. After a sixteen year career (outstanding scientist award, 1981) with Pfizer, he returned to India and joined the CSIR-Regional Research Laboratory, Trivandrum in 1990. During 1997-2001 Dr. Nair was the Director of the Institute. Dr. Nair's research interests are focused on Organic Synthesis with emphasis on Carbon-Carbon and C-Heteroatom bond-forming reactions, and Organocatalysis. Dr. Nair has been an invited speaker at a number of national and international conferences including 17th ICHC in Vienna in 1999, MCR- Symposium in Munich in 2000, IUPAC-ICOS-15 in Nagoya in 2004 and ACC-13 in Shanghai in 2009. He has published 240 papers in major international journals, and 49 students have completed PhD under his supervision. He is a Fellow of the Indian Academy of Sciences and a Silver Medallist of the Chemical Research Society of India. In summary, Dr. Nair is one of the most accomplished Organic Chemists of India. Presently, he is Honorary Scientist at CSIR-NIIST.

December 2015

DEPARTMENT OF CHEMISTRY
NIRMALA COLLEGE, MUVATTUPUZHA

Sir/Madam

The Postgraduate and Research Department of Chemistry is organizing a two day UGC sponsored national seminar on Advances in Spectroscopic Identification. We cordially invite your faculty, research scholars and post graduate students to avail this opportunity to acquaint themselves with the latest trends in Spectroscopy.

Prof. Biju Peter
Organizing Secretary

Dr. Marthakutty Joseph
Head of the Department

Rev. Dr. Vincent Joseph
Principal

About the College

Nirmala College, Muvattupuzha, a NAAC Accredited college affiliated to Mahatma Gandhi University, Kottayam has completed 62 years of glorious service in the field of higher education. The College is located in a sprawling campus at Muvattupuzha, the eastern part of Ernakulam District, 35 kms. from Cochin International Airport. The college has been instrumental in organizing diverse value added programmes for the holistic development of the academic fraternity for the last six decades.

About the Seminar

One of the most exciting scientific investigations has been the attempt to understand the basic units of matter and how they are held together. For a chemist, the basic units of matter are the atoms and the molecules. For understanding atomic and molecular structure and the nature of chemical bonding, one requires a thorough knowledge about the different types of spectroscopic techniques. Spectroscopy is the measurement and interpretation of the absorption and emission of electromagnetic radiation when atoms, molecules or ions move from one energy level to another. It has become an indispensable tool to the present day chemists and physicists because of the availability of sophisticated instrumentation techniques.

In this national seminar, some of the very basic concepts and advances for understanding the different branches of spectroscopy are discussed. The seminar will provide a platform for experimental chemists to discuss and present their latest research works

Call for Papers

Participants who are interested in presenting papers are requested to send the abstract to 'chemistrynirmala1963@gmail.com' on or before 15 th November 2015. The abstract should not exceed 200 words. It Should be typed in Times New Roman, font size 12, with Title, Authors, Address, Contact Number and e-mail ID.

Programme

4th December 2015

National Anthem

Mar Mathew Pothanamuzhi (1903-1982)

Mar Mathew Pothanamuzhi, the first Bishop of the Diocese of Kothamangalam was born on 22. 10. 1903 at Nadukara, near Vazhakulam. His priestly ordination was on 02-10-1932. Archbishop of Ernakulam, Mar Augustine Kandathil, the founder patron of the college, appointed him as the Vicar General of the Archdiocese and the president of the managing board of Nirmala College, Muvattupuzha. The College was blessed and inaugurated by him on 29.06.1953.

On 10.01.1957, he was consecrated the Bishop and took charge of the new Diocese of Kothamangalam. Since Nirmala College came under the new diocese, evidently Bishop Pothanamuzhi became its patron. Under his patronage, Nirmala soared to new heights in the field of higher education. He retired on 26.02.1977 and was called to eternal rest on 06.02.1982. A lecture series was instituted in his memory by Rev. Dr. Thomas Mathew Pothanamuzhi, the former faculty member of the Department of English and Bursar of Nirmala College.

eMail: nirmalaseminar@gmail.com, www.nirmalacollege.ac.in - www.ksa.org.in

Dear Sir/Madam

We have immense pleasure in conducting a National Seminar on 'Applied Statistical Methodology with Special Emphasis on Time Series Analysis' in conjunction with the Annual Conference of the Kerala Statistical Association (KSA). The seminar is scheduled to be held on 12th and 13th February 2016.

The two-day seminar is to invite the attention of researchers into the recent trends and advances in both theoretical and applied research works in Statistics. The seminar will bring together the researchers working in different areas of Statistics for interaction and exchange of ideas. It will inspire young researchers to pursue research in this important branch of science.

The Kerala Statistical Association (KSA) was founded in 1978 to bring together and to provide a forum for those who have an interest in Statistics. The Annual Conference of KSA will be held on 13th February 2016. Dr. U. S Nair memorial ever-rolling trophy for All Kerala Quiz competition in Statistics, Dr. R. N. Pillai Young Statistician Award and Dr. T. S. K. Moothathu award for the best paper published in the journal of the Kerala Statistical Association (JOKSA 2014) will be given away. Another noteworthy agenda in the Seminar is Prof. K. Ramakrishna Pillai endowment lecture which will be delivered by Dr. K.K Jose, Professor, Central University Rajasthan.

Research Scholars in Statistics below thirty years, who wish to compete for Dr. R.N. Pillai Young Statistician Award are requested to send two copies of the full text of the research article to Dr. Sebastian George, Associate Professor, Department of Statistics, St. Thomas College, Pala 686 574, and one copy to Head, Department of Statistics, Nirmala College, Department of Statistics, Nirmala College, Muvattupuzha 686 661 on or before 15th January 2016.

We, the Management, the Principal, the Staff and students of Nirmala College are happy to invite you to the programme.

Dr. Mathachan Pathiyil
Convenor

Ms. Sophy Thomas
Head, Dept. of Statistics

Call for Papers

The organizers invite full length papers for presentation in the seminar. The topics of the seminar include theoretical and applied areas in Statistics. The papers along with an abstract of not more than 100 words may be sent to the email ID: nirmalaseminar@gmail.com on or before 10th January 2016.

Registration

The registration fee will be: For Students : Rs. 400/- For Others : Rs. 1000/- . This includes seminar materials, tea and lunch during the seminar hours. The registration fee can be paid by Demand Draft drawn in favour of 'HoD, Department of Statistics, Nirmala College, Muvattupuzha'. Those who need hotel accommodation should intimate it before 10 January 2010 and have to pay separately depending on the hotel tariff.

Expected invited speakers

Prof. A. M. Mathai, Emiritus Professor of Mathematics and Statistics, Mc Gill University, Canada, Prof. N. Unnikrishnan Nair, Former Vice Chancellor , CUSAT, Cochin, Prof. P. Yageen Thomas, Former HoD, Dept. of Statistics, University of Kerala, Prof. Thomas Mathew, Department of Mathematics and Statistics, University of Maryland, USA, Prof. P. G Sankaran, HoD, Dept. of Statistics, CUSAT, Cochin, Dr. Satheeshkumar HoD, Dept. of Statistics, University of Kerala, Prof. K. Jayakumar, HoD, Dept. of Statistics, University of Calicut, Dr.Gijo E. V, ISI Bangalore.

Organizing Committee

Rev. Dr. Vincent Joseph, Principal
Prof. Jose Karikunnel, Vice Principal
Rev. Fr. Jose Pulparambil, Bursar
Ms. Sophy Thomas, Head, Dept. of Statistics
Prof. N. Balakrishna, President, KSA
Prof. Dharmaja S.H.S, Vice- President, KSA
Dr. Sebastian-George, Secretary, KSA

Dr. Jane A. Luke, Executive council member KSA
Dr. Dais George, Executive council member KSA
Dr. Johnny Scaria, Co-ordinator
Prof. Denneesamma Joseph, Former HoD Statistics
Ms. Jessy John, Member
Dr. Mathachan Pathiyil, Convenor
Dr. Seethalakshmi V., Member
Dr. T. M. Jacob, Member

About the Organiser

Nirmala College, Muvattupuzha is a first grade college which has completed 62 years of glorious service to the cause of higher education. The College provides a congenial atmosphere for study and research. Now Nirmala is one of the foremost colleges in Kerala with over 1800 students and is affiliated to Mahatma Gandhi University, Kottayam. The Department of Statistics was established in 1984 with postgraduate studies and elevated as a research centre in 2009. The department has made significant contribution in the field of training, research and applications of Statistics.

For further details on seminar, Contact Dr. Mathachan Pathiyil Convenor, Seminar on ' Applied Statistical Methodology with Special Emphasis on Time Series Analysis', Dept. of Statistics, Nirmala College, Muvattupuzha, Ph: 0485 2832361 (College), 0485 2260748 (Resi.) 97471 52115 (Mob.) E-mail: nirmalaseminar@gmail.com website: www.nirmalacollege.ac.in

How to Reach Muvattupuzha

The nearest Railway Stations are Kottayam, Ernakulam and Aluva, all about 50 kms to Muvattupuzha. The nearest airport is Nedumbassery (Kochi)-55 kms by road. The College situated near the Muvattupuzha-Thodupuzha State Highway. There are good number of buses on this route. The distance from Muvattupuzha town to the College is about 2 kms. Happy Journey !

Day Two

Venue I **Session V** 9.30 am-10.50 am

NIRMALA COLLEGE, MUVATTUPUZHA

Ernakulam Dist., Kerala -686 661

(Accredited by NAAC with grade B and Affiliated to M.G. University)

UGC SPONSORED NATIONAL SEMINAR ON

Divergent Indian Voices: New Contours in Postcoloniality

ORGANISED BY
POSTGRADUATE DEPARTMENT OF ENGLISH

IN COLLABORATION WITH
IJPL (INDIAN JOURNAL OF POSTCOLONIAL LITERATURES)

22-23
FEBRUARY
2016

The Postgraduate Department of English, Nirmala College, Muvattupuzha, Kerala, proudly invites you to participate in the two day UGC sponsored National Seminar on "Divergent Indian Voices: New Contours in Postcoloniality" on 22 and 23 February 2016, organized in collaboration with the internationally refereed biannual journal *IJPCL* (*Indian Journal of Postcolonial Literatures*).

We wish to deliberate upon numerous divergent voices- resistant/dalit/tribal/folk/ etc.- in the multifaceted Indian scenario and impart its deep concern towards 'human-nature' in the light of the growing tolerance/intolerance issues in the contemporary Indian society. We hope the National Seminar would be a fruitful academic venture.

Warm Regards,

Dr. Jerome K Jose
Convener

Dr. Rani Mathew
Head, Dept. of English

Rev. Dr. Vincent Joseph

FACULTY DEVELOPMENT PROGRAMME MEDIA AND SOCIAL CONSTRUCTION

On 25th February 2016 at 2.00 pm
 Msgr. Thomas Nedumkallel Auditorium
 Nirmala College, Muvattupuzha

by
C. RADHAKRISHNAN
 Scientist, Writer and Film Director

Organised by
INTERNAL QUALITY ASSURANCE CELL

As part of
**25th MSGR. THOMAS
 NEDUMKALLEL
 MEMORIAL LECTURE**

Msgr. Thomas Nedumkallel, is an evergreen image in the heart of Nirmalites. A gifted teacher, educationist, linguist, powerful public speaker and an able writer, he remains as a source of inspiration and appeal to all. He was born in a noble family at Kalloorkad in Ernakulam District on 6th Oct. 1906.

After schooling, he joined the prestigious St. Joseph's College, Trichy and received the Bachelor's Degree in Chemistry from Madras University. In response to his Divine Master's call he joined the Sacred Heart Seminary, Ernakulam and then moved to St. Joseph's Apostolic Seminary, Aluva and received Holy Orders, on 16th Nov.1936. After ordination he pursued his studies and acquired Master's Degree in Malayalam and Sanskrit. For furtherance of education he embraced the teaching career and joined the staff of St. Mary's High School, Aluva. It was during his tenure as Headmaster at St. Mary's High School, Koratty, that the Government of Kochi assigned to him, the post of Director of a short-term Graduate Teachers' Training Course in recognition of his talents. On 29th June1953, the then Archbishop of Ernakulam, Mar. Augustine Kandathil, appointed him the Principal of the newly erected Nirmala College, Muvattupuzha, where he continued till his retirement on 31st May1970. He was not only the first Principal of this reputed Arts and Science College but also its chief architect. It was his foresight and constructive optimism that gave Nirmala 'a local habitation and a name'. Under his direction, Nirmala was fortunate enough to clear off the rocks and shoals, the wily currents and boisterous waves, the sudden storms and blinding fogs confronted in her progress. On his retirement from Nirmala College, Muvattupuzha his services were requisitioned by St. Thomas Apostolic Seminary, Kottayam where he remained as professor of Malayalam and Sanskrit for fifteen years.

He brought out creative works like *Ashramathil*, *Bharatheeyaabhimukhyam*, *Bharatheeya Dhyanyogam*, *Suryakantham*, *Chirakuvaccha Vakkukal*, *Smarana Darpanam*, *Krishthunama Sahasram*, *Mahatwa Geetam* and '*Visa*'. As an experienced teacher he succeeded in inculcating in young people a genuine love and taste for language and literature. He was called to eternal rest on 27th April 1991.

MSGR. THOMAS NEDUMKALLEL MEMORIAL LECTURE COMMITTEE

Patron: Mar George Madathikandathil (Bishop of Kothamangalam)

President: Rev. Dr. Vincent Nedungattu (Principal) Dr. Suby Baby, (IQAC, Coordinator)

Treasurer: Fr. Jose Pulparambil (Bursar)

Staff Representatives: Prof. Jose Karikunnel (Vice Principal), Dr. James George (Staff Advisor), Ms. Jasmine Mary P.J., Ms. Mercy K.D. (Sr. Supdt.) Fr. Francis Michael

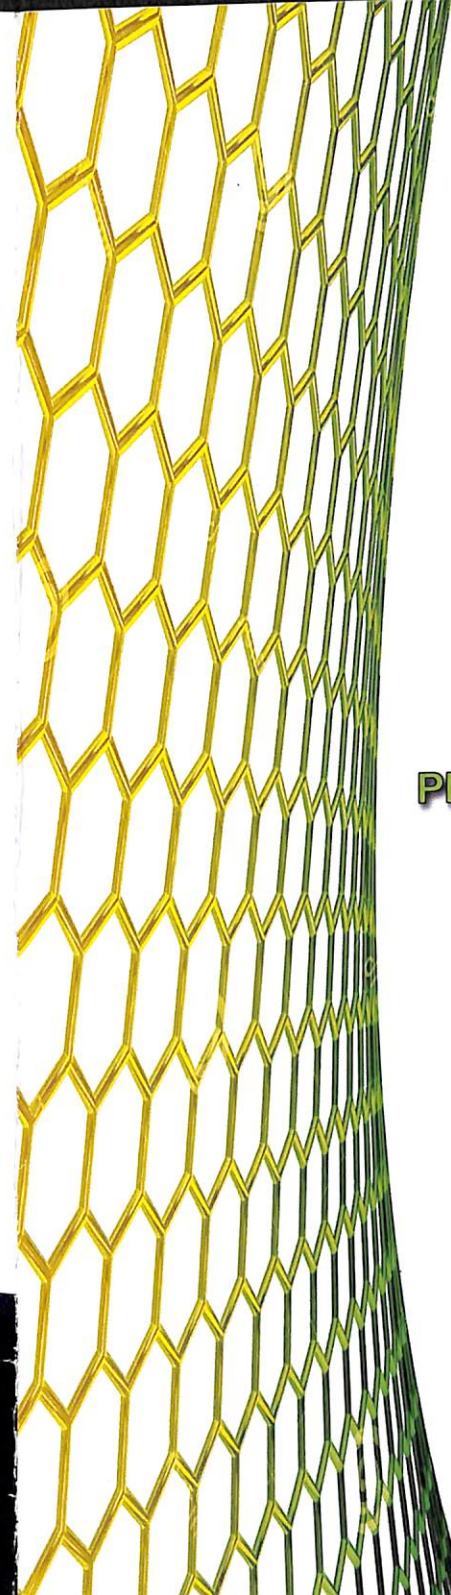

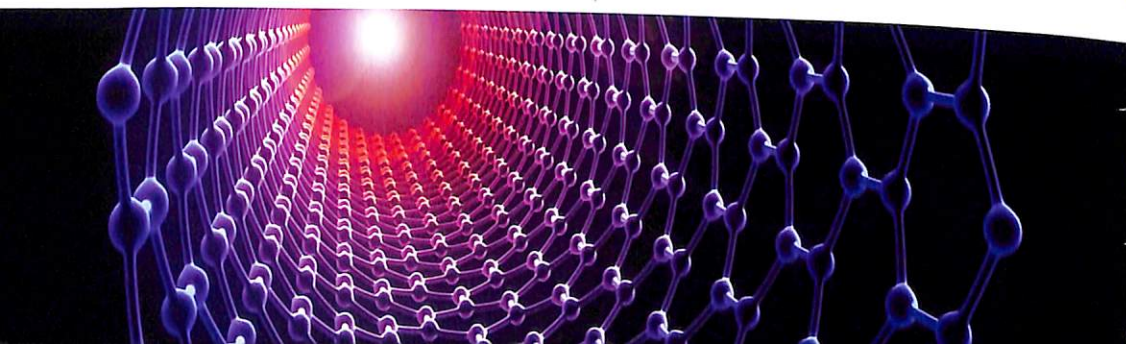

Dr. P. A. Hassan earned his M. Sc. Degree in Chemistry from Nirmala College, Muvattupuzha (Mahatma Gandhi University, Kottayam) in 1991, securing first rank with distinction. In 1992, he joined the prestigious Bhabha Atomic Research Centre (BARC) Training School where he was awarded the Homi Bhabha Award for his academic excellence. Currently, he is Head of the Thermal & Interfacial Chemistry Section, Chemistry Division, BARC.

He was a visiting researcher at the Laboratory of Complex Fluids, University of Louis Pasteur, Strasbourg, France in 1995. He received his Ph.D. degree in Chemistry from University of Mumbai in 1998, based on his work on structural transitions in surfactant assemblies. He pursued his post-doctoral research on soft condensed matter at the Department of Chemical Engineering, University of Delaware, USA in 2000-2002, and visited the National Centre for Neutron Research, NIST, Maryland, USA. He was instrumental in setting up the light scattering and other colloid characterization facilities for interfacial chemistry research at BARC. He has authored or co-authored about 110 peer-reviewed papers with citations of more than 2000 (h-index 26), and delivered invited lectures at national and international conferences. His notable contributions include vesicle-to-micelle transition in surfactant mixtures, design of viscoelastic gels through self-assembly, nanomaterials synthesis in micelles, microrheological measurements using light scattering and interfacial engineering for immunoassays and drug delivery. His current research interests include structural transitions in micelles, liposomes, polymers, polyelectrolyte-surfactant interactions and biotechnological applications of nanomaterials.

Dr. Jaseentha O.P., HOD, Dept. of Physics

Prof. Sunny Joseph (1958-2013)

Prof. Sunny Joseph was born in Cheranalloor near Kalady in 1958. He belonged to the Poovathumkudy family and was the first child of Mr. P. M. Joseph and Smt. Rosy Joseph.

He did his schooling in Koovappady Ganapathi Vilasam High School and continued his higher studies at S.S. College, Kalady and M.A. College, Kothamangalam. Prof. Sunny joined the Department of Physics, Nirmala College, Muvattupuzha in 1980. In 1981, he married Dr. Thresiamma George and the couple was blessed with two children. He rose to the position of Head of the Department in 2011. He served here till his untimely demise in February 2013.

As a nano-science researcher, he had several publications in reputed journals. Also, he contributed three book chapters on nanotechnology in an international publication. He was instrumental in establishing the prestigious Nano Science Research Centre (NSRC), www.nsrc.in, at Nirmala College, Muvattupuzha.

Prof. Sunny Joseph was very much interested in sports and fitness. During his college life, he was a calisthenics master and was chosen as "Mr. Kerala" in 1980. Also, he was the NCC officer (Captain) during 1982-1992.

'MOLECULES TO MATERIALS - BIOMASS AS A PLATFORM FOR MOLECULAR DESIGN'

Dear Sir/Madam,

The principal and the faculty of the Department of Chemistry, Nirmala College, Muvattupuzha have great pleasure in inviting you to a Faculty Development Programme by Prof. George John, a prominent alumnus.

Venue: Audiovisual hall, Date & Time: 20th July 2016, 10.00 AM.

Kindly bless the occasion with your esteemed presence,

Dr. T.M. Joseph
Principal

Dr. Suby Baby
IQAC Coordinator

Dr. Jyothish Kuthanapillil
Coordinator

Organized by

**INTERNAL QUALITY ASSURANCE CELL &
RESEARCH AND POSTGRADUATE DEPARTMENT OF CHEMISTRY
NIRMALA COLLEGE, MUVATTUPUZHA**

Sir/Madam,

Towering aloft on the peak of Higher Education Nirmala College Muvattupuzha has been inspiring generations for the past 63 years. The Foundation Day Lecture Series is instituted to commemorate its foundation. The debut lecture will be delivered by the eminent legal luminary Prof. N. R. Madhava Menon on "Role of Teachers in Nation Building" on 27th July 2016 at 2 PM in the Audio Visual Hall. The programme will be presided over by the Manager of the College, Rev. Msgr. Dr. George Oliapuram. The purpose of the lecture is to throw light upon the pivotal role to be played by teachers in moulding committed citizens for the nation. Your esteemed presence is solicited during the lecture.

Dr. Armstrong Sebastian
(Asst. Prof, Department of English)

Ms. Ajoony Maria Joseph
(Asst. Prof, Department of English)
(Co-ordinators)

Dr. T.M. Joseph
Principal

Prof. N R Madhava Menon, the famous Indian legal educator, has held several prestigious positions in the field of law. He is the founder Director of the National Law School of India University (NLSIU) and the National Judicial Academy, Bhopal and the founder Vice Chancellor of the West Bengal National University of Juridical Sciences (NUJS), Kolkata. After retiring from active government service in 2006, Prof. Menon was appointed by the Union Government as a member of the Commission on Centre-State

Relations, a position he held till 2010. He has also served as the Chairman of the Indian Statistical Institute, Kolkata, and later, as the Chairman of the Centre for Development Studies, Thiruvananthapuram. Madhava Menon, the President of the Bar Council of India during the period 1994-98 was conferred the Living Legend of Law Award by the International Bar Association in 1994. He received the degree of Doctor of Law (Honoris Causa) from the National Law School of India University in 2001. He is a Fellow of the American Council of Learned Societies and Columbia University. He was also the Chairman of the committee for establishing autonomous colleges in Kerala. In 2003, Prof Menon was conferred Padma Shri by the nation.

Resource Persons

Dr.Vimala Oak has over three decade's experience of R&D and management with R&D Division of Bharat Heavy Electricals Ltd (BHEL). She has also been engaged in the area of Child Development and teacher training from 1996 as a contribution to the society. She left the corporate job with BHEL in 2006 to devote full time to the area of human resource development and education. She has also been contributing as a volunteer to leading NGOs (Byrraju Foundation, Satyam Foundation, Dr Reddy's Foundation, Navnirmithi, Grammangal, Vipassana Ashram and Azim Premji Foundation) at Hyderabad and Pune. Her focus is on Child Development and has conducted various training programs on meditation, science experiments, mathematics, arts, games and outbound activities.

Ms.Stalina Bhai.S is a chemistry educator formerly associated with Bharatiya Vidya Bhavan. She is an independent researcher in Science Education with a special focus on chemistry education in India. She has also been serving as a mentor for students who participated in Science exhibitions and Science Olympiads in the national level for the past ten years. She conducts various training programmes for students with an aim to develop scientific temper in young minds as well as trains teachers to empower them with advance techniques in the areas of chemistry education and research.

Salient features of the programme

- ▶ The Yusuf Hamied Inspirational Chemistry Programme(YHICP) is designed to empower Indian chemistry teachers and enrich the learning experience of student community
- ▶ A unique training programme in the field of science education with special focus on chemistry
- ▶ A special opportunity to participate, discuss, debate and to be updated with latest teaching techniques and methods addressing various issues in the field of science education

TARGET PARTICIPANTS

The Faculty Development Programme programme is mainly designed for chemistry teachers in the College.

ROYAL SOCIETY OF CHEMISTRY

The Royal Society of Chemistry (RSC) is a professional association in the United Kingdom with the goal of "advancing the chemical sciences". It was formed in 1980 from the merger of the Chemical Society, the Royal Institute of Chemistry, the Faraday Society, and the Society for Analytical Chemistry with a new Royal Charter and the dual role of learned society and professional body. The organization carries out research, publishes journals, books and databases, as well as hosting conferences, seminars and workshops. It is the professional body for chemistry in the UK, with the ability to award the status of Chartered Chemist (CChem) and, through the Science Council the awards of Chartered Scientist (CSci), Registered Scientist (RSci) and Registered Science Technician (RScTech) to suitably qualified candidates. The designation FRSC is given to a group of elected Fellows of the society who have made major contributions to chemistry and other interface disciplines such as biological chemistry

YUSUF HAMIED

Yusuf Khwaja Hamied (born 25 July 1936) is a billionaire Indian scientist and businessman, the non-executive chairman of Cipla, a generic pharmaceuticals company based in Bombay. He is also highly regarded for his role in expanding the production of bulk drugs and "active pharmaceutical ingredients" (APIs, the active chemical components in medicines) in India. He was awarded the Padma Bhushan, India's third highest civilian honour by Government of India in 2005. Currently he is a member of a high-level panel of UNO on health, technology and innovation, in an effort to escalate investments in research and development for diseases where financial returns are not guaranteed.

National Anthem

Mar Mathew Pothanamuzhi (1903-1982)

Mar Mathew Pothanamuzhi, the first Bishop of the Diocese of Kothamangalam was born on 22. 10. 1903 at Nadukara, near Vazhakulam. His priestly ordination was on 02-10-1932. Archbishop of Ernakulam, Mar Augustine Kandathil, the founder patron of the college, appointed him as the Vicar General of the Archdiocese and the president of the managing board of Nirmala College, Muvattupuzha. The College was blessed and inaugurated by him on 29.06.1953.

On 10.01.1957, he was consecrated the Bishop and took charge of the new Diocese of Kothamangalam. Since Nirmala College came under the new diocese, evidently Bishop Pothanamuzhi became its patron. Under his patronage, Nirmala soared to new heights in the field of higher education. He retired on 26.02.1977 and was called to eternal rest on 06.02.1982. A lecture series was instituted in his memory by Rev. Dr. Thomas Mathew Pothanamuzhi, the former faculty member of the Department of English and Bursar of Nirmala College.

Sri Sashi Kumar is born on February 23, 1952. He spent his school years in Bombay, Calcutta and Madras. He completed his post graduation in History from Madras Christian College in 1975. In the late seventies he was among the earliest Newscasters in English on Doordarshan and became a familiar face in TV households in India as news and current affairs anchor, film critic and producer and director of topical features on television. He has produced series of documentaries and features on international issues. He was the first West Asia Correspondent of *The Hindu* daily and its sister fortnightly, *Frontline*. He launched *Asianet*, India's first satellite TV channel in the regional language. Sashikumar directed films '*Vijayalakshmi*', Science-Fictional Feature titled '*Nemesis-II*' and '*Kaya Taran*' (Chrysalis) which won him the **G.Aravindan Award** for the Best Debutant Filmmaker in India and was selected for the **Indian Panorama** in the International Film Festival at Goa. He is a well known film actor and the recipient of the Vijayaraghavan Memorial Award for his contribution to Journalism.

Treasurer: Fr. Francis Kannadan (Bursar)

IQAC Coordinator: Dr. Suby Baby

Co-ordinators: Prof. Jose Karikunnel (Vice Principal), Prof. Jisha Jacob, Ms. Mercy K.D. (Sr.Suptd.)

Msgr. Thomas Nedumkallel is the founder Principal and chief architect of Nirmala College Muvattupuzha. As a gifted teacher, educationist, linguist, powerful public speaker and an able writer, he remains a source of inspiration for all. He was born in a noble family at Kalloorkad in Ernakulam District on 6th Oct. 1906. After schooling, he joined the prestigious St. Joseph's College, Trichy and received the Bachelor's Degree in Chemistry from Madras University. He was ordained on 16th Nov.1936. He secured Master's Degree in Malayalam and Sanskrit. Afterwards he embraced teaching career and joined the staff of St. Mary's High School, Aluva. Later he became the Head Master of St. Mary's High School, Koratty. During this time the Government of Kochi assigned to him, the post of Director of a short-term Graduate Teachers' Training Course. On 29th June 1953, the then Archbishop of Ernakulam, Mar. Augustine Kandathil, appointed him as the Principal of the newly erected Nirmala College, Muvattupuzha, where he continued till his retirement on 31st May 1970. It was his foresight and optimism that gave Nirmala its name and fame. After his retirement he was appointed as professor of Malayalam and Sanskrit at St. Thomas Apostolic Seminary, Kottayam, where he remained for the next fifteen years. His famous books are Ashramathil, Bharatheeyaabhimukhyam, Bharatheeya Dhyanyogam, Suryakantham, Chirakuvaccha Vakkukal, Smarana Darpanam, Kristhunama Sahasram, Mahatwa Geetam and 'Visa'. He was called to eternal rest on 27th April 1991.

28-01-2017

Dear Sir/Madam,

The Council of Principals of Colleges in Kerala (popularly known as Principals' Council) has been playing a proactive role in the field of higher education for nearly half a century. The Principals' Council is the only common platform for the academic and administrative leaders of tertiary education in the state.

The Council proposes to organize a one day Training Programme for the Administrative Staff of Aided Colleges under Mahatma Gandhi University on 'Effective Office Administration', on Saturday, 18th February, 2017 with the support of Nirmala College, Muvattupuzha. The programme is aimed at enhancing the efficiency of the administrative staff of our colleges by giving them exposure to the latest rules, regulations and procedures pertaining to college administration. An Open Forum will also be held to resolve the common issues related to office administration.

Every college can depute minimum three members of administrative staff including Office Superintendent and HA. A registration fee of Rs.500/- (to be borne by the college) is payable from each college, irrespective of the number of participants, which may be met from Management/ UGC or other sources.

We solicit your valuable support and co-operation for the successful conduct of the programme.

EXPLORING THE REALMS OF QUANTUM MECHANICS AND COMPUTATIONAL CHEMISTRY

Co-sponsored by Kerala State Council for Science,
Technology and Environment (KSCSTE)

1 2 **March 2017**

Organized by
INTERNAL QUALITY ASSURANCE CELL &
RESEARCH AND POSTGRADUATE DEPARTMENT OF CHEMISTRY
NIRMALA COLLEGE, MUVATTUPUZHA

Sir/Madam,

The post graduate and research department of chemistry is organising a two day national seminar on 'Exploring the Realms of Quantum Mechanics and Computational Chemistry', scheduled to be conducted on 1st and 2nd March 2017. We cordially invite your faculty, research scholars and post graduate students to avail the opportunity to gain further knowledge in the fascinating area of Quantum Mechanics and Computational Chemistry.

About the Seminar

Quantum mechanics and computational chemistry are important theoretical tools for understanding the behaviour of chemical systems. While quantum mechanics yields vital information about the structural chemistry of atoms and molecules involving chemical bond, computational chemistry applies quantum mechanical concepts for finding out the various aspects of chemistry, using computational software. Both these topics are important for those who pursue science and chemistry and hence a thorough understanding of the basics of these topics from the pioneers of this area would be extremely beneficial. In this seminar some of the very basic concepts and recent developments in theoretical and computational chemistry will be discussed.

Registration

Registration fee: Rs. 300/- for teachers
Rs. 150/- for students

Registration fee includes lunch and tea.

Oral presentation

Participants who are interested in making oral presentations on any related topics are requested to send the abstract to chemistrynirmala@gmail.com on or before 20th February 2017. The abstract should not exceed 200 words. It should be typed in Times New Roman, font size 12, with Title, Name of candidate, Address, Contact Number and e-mail ID.

Programme Schedule

1st March 2017

9.00 am – 9.45 am : **Registration**

9.45 am – 10.15 am : **Inaugural session**

Presidential Address

Dr. T. M. Joseph, Principal

Chief Guest

Prof. K. L. Sebastian.

Professor at IIT Palakkad & Hon. Professor, J.C. Bose Fellow IISC Bangalore

10.30 am – 1.00 pm : **Technical Session I**

Strange and Beautiful World of Quantum Mechanics

Prof. K. L. Sebastian

1.45 pm – 4.15 pm : **Technical Session II**

A Practical Approach to Computational Chemistry

Prof. Baby Thomas,

Retd. Prof. Dept. of Chemistry, St. Dominics College, Kanjirappilly

2nd March 2017

9.45 am – 12.30 pm : **Technical Session III**

**Gateway to Quantum Mechanical Modelling-
From Theory to Practice**

Prof. Krishnan Nambuthiri

Head Computational Chemistry Research Group
Amrita Molecular Modelling and Synthesis Research Lab Coimbatore

12.30 pm - 1.00 pm

Oral Presentation

1.45 pm - 3.45 pm : **Technical session IV**

Introduction to Density Functional Theory (DFT)

Prof. M. George,

Dept. Of Chemistry, S. H. College, Thevara

3.45 pm - 4.15 pm : **Valedictory function**

Chief Guest

Prof. M. George,

Dept. Of Chemistry, S. H. College, Thevara

Two Day National Seminar

On

**KERALA AGRICULTURE:
OPPORTUNITIES AND
CHALLENGES**

21-22

**March
2017**

Sponsored by
Indian Council of Social Science Research

Dear sir/Madam

It gives us immense pleasure and opportunity to cordially inform you that the Department of Economics, Nirmala College, Muvattupuzha is organizing a ICSSR Sponsored Two Day National Seminar on **Kerala Agriculture: Opportunities and Challenges** from 21st to 22nd March 2017. The seminar will discuss various issues involved in the agriculture sector in Kerala.

We solicit your esteemed presence and active participation in this seminar.

Dr T.M Joseph

Principal

Dr .J Georgi Neernal

Head of the Department

Prof. Shaimon Joseph

Convener

About the College

Nirmala College, Muvattupuzha is a NAAC Accredited, first grade College affiliated to Mahatma Gandhi University, Kottayam has completed 61 years of glorious service to the cause of higher education. The college offers 15 Undergraduate Programs, 10 Post Graduate Programs and 5 Ph.D programs in Commerce, Statistics, Hindi, Malayalam and Chemistry. Towering aloft on the peak of a high hill, surrounded by luxuriant vegetation, intermingled by shady trees and distant from the clamour and confusion of the city, stands Nirmala College; the beacon light of learning and scholarship. Renowned for its picturesque landscape and tranquil serenity, the College provides a congenial atmosphere for study and research. The College has been instrumental in organizing diverse value-added programs for the holistic development of the academic fraternity for the last five decades.

The Post Graduate Department of Economics, established in 1953, has been in the forefront in ensuring total quality in higher education by delivering better value to all the stakeholders. The Department has been organizing myriad programs for the benefit of students, teachers and community at large for the last couple of years.

About the Seminar

Agricultural sector in Kerala is facing a serious crisis of growth. Economic Survey 2016 shows that agriculture and allied services have recorded a growth rate of 1.43 percent in the first year of Twelfth Plan. However, this sector witnessed a negative growth rate during the following three years with growth rate of (-) 6.31 percent in 2013-14, (-) 1.09 percent in 2014-15 and (-) 2.9 percent in 2015-16. The share of agriculture and allied sectors in the total GSDP of Kerala has also declined from 14.38 percent in 2011-12 to 11.48 percent in 2014-15 and to 10.38 percent in 2015-16. The most important reason for this decline seems to be the land policy. The policy has not been able to ensure increased agricultural production and productivity. Land reform policy initiated in Kerala led to fragmentation of landholdings with more and more smaller farmers owning land. While this was seen as a positive development for social justice, cultivation on fragmented land is one of the main problems plaguing agricultural production. Apart from this, slow pace of mechanization, lack of skill of the farmers, increasing cost of production coupled with low profitability, non availability of agricultural labour, inadequate marketing system, volatility in prices, role of intermediaries or middlemen and inadequate monsoon are the issues that is to be addressed in this regard.

To address all these issues, this seminar call for the attention of all stakeholders including farmers, agricultural labourers, traders, policy makers, bureaucrats, academicians, industrialist, politicians, local representatives, agricultural organisations to have a fruitful discussion on these issues and aid to formulate a comprehensive policy and strategy to revive the agricultural sector. Seminar proposes to educate farmers and stakeholders about modern agricultural practices including organic farming that would enhance agricultural production without making any harm to the environment.

Themes of the Seminar

Agro-Ecological Environment, Land Utilization Pattern, Change in the Cropping Pattern, Farm Mechanization, Sustainable Agriculture, Organic Farming, Wetland, Watershed, and Ecosystem Management, Agri- Business, Agriculture – Industry Linkage, Value Addition and Food Processing, Agricultural Incentives- Insurance, Subsidies and Credit, Agricultural Marketing, Agricultural Cooperatives, Management of Zero Waste Land, SHGs and Agriculture, Homestead Cultivation, Food Security, Agricultural Research, Agricultural Policy

21st March 2017, Tuesday

09.00 am-10.00 am: Registration

10.00 am-11.30 am: Inauguration

Chief Guest:

Dr. K.Pushangadan,

Senior Research Fellow, ICSSR, GIFT, Trivandrum

Keynote Address:

Dr. Indira Devi

Director, Centre of Excellence in Environmental Economics
Kerala Agricultural University

11.30 am-11.45am: Tea Break

11.45 am- 1.00 pm:

Technical Session I

Topic: Roadmap Towards Sustainable Agriculture

Resource Person:

Dr. K.P Mani

HOD, Department of Economics John Mathai Centre, Thrissur

1.00 pm-2.00 pm: Lunch Break

2.00pm- 3.45pm:

Technical Session II

Topic:

Possibilities of Value Added Agriculture and
Food Processing Industries

Resource Person:

Dr. Martin Patric

Chief Economist, Centre for Public Policy Research, Kochi

22nd March 2017, Wednesday

10.00 am-11.30 am:

Technical Session III

Topic:

Price Trends in Commercial Crops in Kerala

Resource Person:

Dr. S. Harikumar,

HOD, Department of Applied Economics
Cochin University of Science and Technology, Kochi

11.30am-11.45am: Tea Break

11.45- 1.00pm:

Technical Session IV

Topic: Need for Organic and Sustainable Agriculture

Resource Person:

K.K. Velappan

Agriculturist

1.00pm-1.45pm: Lunch Break

1.45pm- 3.15pm:

Technical Session V

Topic: Youth and Farm Sector in Kerala

Resource Person:

Sri. Dennis George

Technical Consultant, IUCOFSA, MG University, Kottayam

3.15 pm-4.00 pm:

REV. DR. JOHN VALLAMATTAM MEMORIAL LECTURE

Sir/Madam

02-08-2017

To commemorate the cherishing memory of our proficient leader, Rev. Dr. John Vallamattam, the former Principal of the college, we organize Dr. John Vallamattam Memorial Lecture annually. Keeping the tradition, the memorial lecture of this year will be conducted on 7th August 2017.

The contributions of Rev. Dr. Vallamattam to higher education in India is unique. He enriched the field of education in various capacities as Secretary, Corporate Educational Agency, Diocese of Kothamangalam; Chief Editor and Publisher of Kerala Education Review (1968-79); Secretary, Kerala College Managements' Association (1969-79); President, Kerala College Managements' Association (1984-91); Executive member, AIACHE (1978-87); President, Xavier Board of Higher Education in India (1972-77); Senate Member, Kerala University (1975-80); President, Kerala Council of Catholic Colleges (1983-88) and Member of Syndicate, M.G University (1984-88).

Rev. Dr. Vallamattam is also held in high esteem for his journalistic services and literary pursuits. He was called to eternal rest on 19th Sept. 2005.

This Faculty Development Programme on *Ethics in Public Life* is conducted as a token of our gratitude to this veteran educationist.

We solicit your esteemed presence and active participation.

FOUNDATION DAY LECTURE

**10
AUGUST
2017**

Sir/Madam,

1 August 2017

Towering aloft on the peak of Higher Education, Nirmala College Muvattupzha has been inspiring generations for the past 64 years. The Foundation Day Lecture Series is instituted to commemorate its foundation. The second lecture in the series will be delivered by the eminent legal luminary Sri. Justice (Rtd.) Cyriac Joseph on "Role of Teachers in the New Age" on 10th August 2017 at 2.45 PM in the Audio Visual Hall. The programme will be presided over by the Manager of the College, Rev. Mgr. Dr. Cherian Kanjirakombil. The purpose of the lecture is to throw light upon the pivotal role to be played by teachers in moulding committed citizens for the nation. Your esteemed presence is solicited during the lecture.

Mr. Shaimon Joseph
(Asst. Prof, Department of Economics)

Dr. T.M. Joseph
Principal

Ms. Ambily Elizabeth George
(Asst. Prof, Department of Zoology)
(Co-ordinators)

Cyriac Joseph was an acting chairperson of National Human Rights Commission of India. He started his career in advocacy on 12 October 1968 and started practicing in District Court Kottayam and then shifted to Kerala High Court at Ernakulam. He served as Government Pleader in Kerala High Court from 1976 to 1979, as Senior Government Pleader in Kerala High Court from 1979 to 1987, as Additional Advocate General of Kerala State from 6 July 1991 to 5 July 1994. He was appointed as permanent judge of Kerala High Court on 6 July 1994. Thereafter, on 5 August 1994 he has been transferred to Delhi High Court and transferred back to Kerala High Court on 24 September 2001. He was the Chief Justice of Uttarakhand High Court and Karnataka High Court. He became a Judge of Supreme Court of India on 7 July 2008 and he continued in that post till 27th January 2012.

Muvattupuzha P.O., Ernakulam District
www.nirmalacollege.ac.in

Dear Sir/ Madam

We are glad to inform you that the P.G. & Research Department of Commerce, Nirmala College, Muvattupuzha is organizing a Three day workshop on **Research Methodology and Statistical Analysis** on 24th, 25th and 26th of August 2017. We welcome academicians, research scholars, research aspirants and industrialists to this programme.

With Regards,

Dr. V.P. Raju

(Co-ordinator, 9495608176)

Dr. James Mathew

(HOD of Commerce)

Dr. T. M. Joseph

(Principal)

About the College

Nirmala College, Muvattupuzha is a first grade college which has completed 64 years of glorious service to the cause of higher education. The College was ranked one among the best 100 colleges in India by MHRD, New Delhi in 2017. Nirmala College, Muvattupuzha was also awarded DBT Star Status from 2016 to 2019.

About the Department

Our Department is an approved research centre of Mahatma Gandhi University and a Satellite Centre of Institute of Cost Accountants of India (ICAI) Calcutta. The department has produced 23 Ph.Ds and currently 16 research scholars are doing Ph.D. under our department. The department has two M.Com. Batches (Aided and S.F.) and four B.Com. batches with specialization in Taxation, Computer Application and Office Management and Secretarial Practice.

About the Workshop

A plethora of studies have been conducted to explore various problems in different disciplines of social science. A huge volume of data has to be analyzed to explore the truth relating to the research problems. The workshop is aimed at providing academicians, industrialists, researchers and research aspirants, a comprehensive learning of research methodology and advanced statistical tools. The workshop will focus on providing hands-on experience in advanced analysis of statistical data using statistical software packages.

Resource Persons

- Dr. Sebastian Rupert Mampilly, Professor, CUSAT
- Dr. T. M. Jacob, Associate Professor, Nirmala College, Muvattupuzha
- Dr. Ajimon George, Associate Professor, Marian College, Kuttikkanam

Topics Covered

Importance of Conceptualization in research, Modeling, Hypothesis testing, Classification and cluster analysis, Dimension reduction techniques, Advanced regression models, Time series analysis and Structural Equation Models.

Who can Participate

M.Phil.and Ph.D. research Scholars, academicians, research aspirants and industrialists from the disciplines of Economics, Commerce, Management, Finance and other Social Sciences can participate in the workshop.

Registration Fee-Rs. 2,000/-

Registration and mode of Payment: Registration is **limited to 40 participants**. Therefore, prior registration is advised either online or by phone. Payment may be made at the registration counter on the day of the workshop. Participants are advised to bring their laptops.

Participants will be provided lunch and refreshments during the programme. On prior request and additional payment, accommodation may be arranged on 'first come first serve basis' subject to availability.

For online registration form, please send e-mail to:

data4spss@gmail.com

For further information, please contact

(Principal)

About the College

Nirmala College, Muvattupuzha is a first grade college which has completed 64 years of glorious service to the cause of higher education. The College was ranked one among the best 100 colleges in India by MHRD, New Delhi in 2017. Nirmala College, Muvattupuzha was also awarded DBT Star Status from 2016 to 2019.

About the Department

Our Department is an approved research centre of Mahatma Gandhi University and a Satellite Centre of Institute of Cost Accountants of India (ICAI) Calcutta. The department has produced 23 Ph.Ds and currently 16 research scholars are doing Ph.D. under our department. The department has two M.Com. Batches (Aided and S.F.) and four B.Com. batches with specialization in Taxation, Computer Application and Office Management and Secretarial Practice.

About the Workshop

A plethora of studies have been conducted to explore various problems in different disciplines of social science. A huge volume of data has to be analyzed to explore the truth relating to the research problems. The workshop is aimed at providing academicians, industrialists, researchers and research aspirants, a comprehensive learning of research methodology and advanced statistical tools. The workshop will focus on providing hands-on experience in advanced analysis of statistical data using statistical software packages.

Resource Persons

- Dr. Sebastian Rupert Mampilly, Professor, CUSAT
- Dr. T. M. Jacob, Associate Professor, Nirmala College, Muvattupuzha
- Dr. Ajimon George, Associate Professor, Marian College, Kuttikkanam

Topics Covered

Importance of Conceptualization in research, Modeling, Hypothesis testing, Classification and cluster analysis, Dimension reduction techniques, Advanced regression models, Time series analysis and Structural Equation Models.

Who can Participate

M.Phil. and Ph.D. research Scholars, academicians, research aspirants and industrialists from the disciplines of Economics, Commerce, Management, Finance and other Social Sciences can participate in the workshop.

Registration Fee-Rs. 2,000/-

Registration and mode of Payment: Registration is **limited to 40 participants**. Therefore, prior registration is advised either online or by phone. Payment may be made at the registration counter on the day of the workshop. Participants are advised to bring their laptops.

Participants will be provided lunch and refreshments during the programme. On prior request and additional payment, accommodation may be arranged on 'first come first serve basis' subject to availability.

For online registration form, please send e-mail to:

MEMORIAL LECTURE**

**25
AUGUST
2017**

Sir/Madam

Date: 24 August 2017

Late Msgr. Mathew Palamattam, former Professor and Principal was first appointed to the faculty of English on 29th June 1953, the historic day of inauguration of Nirmala College, Muvattupuzha. He was a member of the Syndicate and Senate of University of Kerala from 1970-1975. He served on the Board of Studies for English for one term. Msgr. Mathew Palamattam was the Principal of Newman College, Thodupuzha (1967-70) and Nirmala College, Muvattupuzha (1970-77).

To perpetuate his spirit for quality assurance in higher education, the IQAC of Nirmala College, Muvattupuzha is initiating a lecture series. In this lecture series, eminent personalities from different walks of life will be invited to share their thoughts and experiences. The Second lecture of the series will be delivered by **Dr. Aniyankunju**, Former, Principal, St Aloysius college, Edathua. at **10.30 a.m on 25th August 2017** in the Audio-Visual hall of Nirmala College, Muvattupuzha.

We solicit your esteemed presence and participation in the event

13-09-2017

Dear Sir/Madam,

A Faculty Enrichment Programme on "Physics of Nano Systems" will be held in the Audio Visual hall at 1.30 pm on Friday, 15-09-2017. Dr. Vincent Mathew, Central University of Kerala has kindly consented to deliver the talk. You are most cordially invited.

Dr. George James T.
coordinator

Prof. Susan Varghese
HOD, Physics Department

Dr. T.M. Joseph
Principal

Dr. Vincent Mathew is currently the head of department of physics, Central University of Kerala. Dr. Vincent has completed MSc (1990) from Mahatma Gandhi University Kottayam and PhD (1998) from university of Delhi. He joined St. Thomas College, Palai as Assistant Professor in 2002 and has joined Central University of Kerala as Associate Professor in Physics in 2011. He has worked as visiting Scientist at University of Pecs, Hungary, in 2007 (International Exchange Programme of INSA and HAS) and was selected with full funding for participation in a workshop at ICTP, Italy in 2007. He has completed three major research projects and one minor project.

His current research areas includes Theoretical Condensed Matter Physics, Photonics and General Computational Physics.

MEMORIAL ENDOWMENT LECTURE

01-11-2017

Dear Sir/Madam,

The Postgraduate and Research Department of Chemistry at Nirmala College Muvattupuzha is celebrating its Golden Jubilee in 2017-18. Though the under graduate programme was started in 1957, it was elevated to the status of a postgraduate department in 1967 and as a research department in 1989. The department is credited with seminal contributions to the field of research, industry and academia. Its illustrious alumni are spread over different parts of the globe serving in different capacities.

Internal Quality Assurance Cell & Department of Chemistry are organising a Variety of Programme to make the Golden Jubilee celebrations a memorable one. The formal inauguration of the celebrations is arranged at 10.00 am on 10 November 2017 in the Audio Visual Hall of the college. The event is also to mark a commemorative lecture on the contributions of Fr. Mathew Thottiyil, who laid a strong foundation to the department as its head. We solicit your esteemed participation in the programme.

Thank you

Dr. T.M. Joseph
Principal

Dr. Suby Baby

HIGHLIGHTS OF THE GOLDEN JUBILEE CELEBRATIONS

- ▶ Rev. Dr. Mathew Thottiyil Memorial Endowment Lecture by Prof. Dr. S. Prathapan, a distinguished alumnus of the college.
- ▶ Honouring of the Senior retired teachers (Septuagenarians)
- ▶ Honouring of the first batch M.Sc. students (1967-1969)
- ▶ Alumni Meeting
- ▶ Alumni Lecture Series
- ▶ Seminars/Conferences

Dr. Prathapan Sreedharan is working as an Associate Professor in the Department of Applied Chemistry at Cochin University of Science and Technology, Kochi. He completed pre-degree from Nirmala College, Muvattupuzha in 1975, BSc in Chemistry from Newman College, Thodupuzha in 1978, master's in chemistry from Cochin University and completed his PhD from IIT, Kanpur in 1988. He is a visiting scientist at The Rockefeller University, Carnegie Mellon University, North Carolina State University, and University of Connecticut, USA. He is the principal investigator of various projects sponsored by DST, CSIR, DBT, DRDO, Kerala Government (APJ Abdul Kalam Initiative on Innovative Research). He is credited with more than 50 papers, 2 patents and has produced 11 PhDs.

Rev. Dr. Mathew Thottiyil

Rev. Dr. Mathew Thottiyil, former Principal and Head of the Department of Chemistry, Nirmala College, Muvattupuzha was one of the pioneers who accelerated the growth of the department. Renowned for his knowledge in Chemistry and humane qualities, he led the department to great heights.

Rev. Dr. Mathew Thottiyil secured Ph.D. from the University of Manchester, England in 1965. He joined Nirmala College as Lecturer in 1967 and served as the Head of the Department of Chemistry and retired as Principal of the College in 1984. As a man so humane and innately simple, he found a sure place in the hearts of his students and colleagues. A veteran Professor, an ardent devotee of learning, a scientist with unswerving curiosity and inquisitiveness, Rev. Dr. Mathew Thottiyil was a very lovable personality – artless and naive to the core with no pretensions. He was called to his heavenly abode on 10th November 2000 leaving a void in the hearts of many.

CALL FOR PAPERS

Original research papers under the following themes are invited for presentation in the seminar. Abstract (less than 300 words) should be sent by November 20th in Microsoft Word (Times New Roman, font size 12, line spacing 2.0) to the following email address: nirmalazoonatsem17@gmail.com and full papers of 3000-4000 words (including abstract between 250 and 300 words) by 29th November, 2017. All selected full papers must be presented in the seminar and the peer reviewed papers will be published as chapters in book form having ISBN

THEMES:

ABOUT THE COLLEGE

Nirmala College, Muvattupuzha was founded in the year 1953. Through these 64 years the college has unfailingly occupied a premier position in imparting higher education with integral formation which involves academic excellence, spiritual growth and social commitment.

OBJECTIVE OF THE SEMINAR

Environmental degradation has started all over the world with the anthropogenic utilisation of natural resources. To track conformance of ongoing activities with objectives and targets it may be useful to identify current environmental status. These may also be useful in the evaluation of pollution prevention opportunities, required for continuous improvement of environment. The seminar is framed to be an informative one that discusses man-made environmental disasters, while instilling a sense of hope for a future sustainable society.

REGISTRATION

Interested participants are requested to fill the registration form (copy attached) and email it to the convenor.

E-mail ID : nirmalazoonatsem17@gmail.com. Phone No: 09388419500, 9744763434

It is requested that completed registration forms are forwarded by the concerned authority of the participants' institution

REGISTRATION FEES

**16
FEBRUARY
2018**

P.K. Abdul Aziz (born 18 January 1947), is a scientist in Ecology and Biodiversity and an academician from India who has published 77 research papers. He has been the Vice-Chancellor of Cochin University of Science and Technology and Aligarh Muslim University. He is also the former Vice-Chancellor of the University of Science and Technology Meghalaya. He is also the chairman of

the Expert Committee for Revision of Curriculum for School Education, appointed by the Kerala government.

He received a D.Sc. in Ecology (2002) and a Ph.D. (1978) from the Department of Aquatic Biology & Fisheries, University of Kerala. He led the Department of Ecology and Marine Biology at the Saline Water Conversion Corporation Research and Development Centre, Saudi Arabia as chairman during 1993–2002. He was a Professor at Kerala University and Kerala Agricultural University before becoming Vice-Chancellor of the Cochin University of Science and Technology.

He was the Vice-Chancellor of Aligarh Muslim University from 11 June 2007 to 17 January 2012. During his term the university signed MoUs with Wisconsin University, Cleveland University, Atlanta University, Johns Hopkins University and New York University and began clearing a backlog of PhD submissions. India Today cited his efforts as leading to a "remarkable turnaround" for the university.

Prof.K.P.Vijayakumar received his M.Sc. degree in Physics from Cochin University of Science and Technology in 1977 and the Ph.D. degree in Physics from Cochin University of Science and Technology in 1984. From 1978-1987 he worked at St Albert's College, where he was involved in the UG teaching. In 1987 he was appointed as Reader in Physics in Department of Physics, Cochin University of Science and Technology. Later he became Professor of Physics in 1996. During this period he had also served as the Head of the Department of Physics, Cochin University of Science and Technology.

After his retirement, he continued in the Department of Physics as CSIR Emeritus Scientist till April, 2018. He is actively involved in the research and development of cost-effective thin film solar cells and transparent conducting oxide films, using chemical methods. Presently he has received funding from Department of Science and Technology for the development of earth abundant and eco-friendly thin film solar cells.

Prof. Vijayakumar had been a Visiting Scientist in the Department of Electrical and Electronic Engineering, Iwate University, Morioka, Japan during 1998. This was under JSPS-DST Visiting Fellowship. Later he was awarded the JSPS Invitation Fellowship to work at Iwate University itself, during 2001. During 1999, he visited the Technical University, Delft, The Netherlands under a collaborative programme. He was also a Visiting Fellow of the Nuclear Science Centre, New Delhi and had collaborative research with various scientific groups in several national institutes like IGCAR [Kalpakkam], IOP [Bhubaneswar], and IUC [Indore].

Dear Sir/Madam,

23-07-2018

Cancers are a large family of diseases that involve abnormal cell growth with the potential to invade or spread to other parts of the body. Although we have learned a great deal about the unifying principles that underpin cancer, translating this knowledge into cures remains challenging because of the diversity of cancer types. Currently, many areas of research are rapidly evolving, as a result of technological advancements that are increasing our ability to probe the genetic and molecular defects that drive cancer.

In this respect, the Department of Zoology, Nirmala College Muvattupuzha arranges an Faculty Development Programme by a leading scientist in United States, Dr. Benny Abraham, at 10.30 a.m. on 24 July 2018 in the Audio Visual Hall of the college. The main objective of the programme is to provide awareness about cancer, new developments in cancer treatment and recent trends in cancer research. The event also provides a platform for active interaction between the expert and enthusiastic students. We request your esteemed presence and participation in the programme.

Fr. JOHN VALLAMATTAM MEMORIAL LECTURE

Sir/Madam,

12-09-2017

To commemorate the cherishing memory of our former principal, Rev. Dr. John Vallamattam, we organize Dr. John Vallamattam Memorial Lecture annually.

The contributions of Rev. Dr. Vallamattam to higher education in India is unique. He enriched the field of education in various capacities as Secretary, Corporate Educational Agency, Diocese of Kothamangalam; Chief Editor and Publisher of Kerala Education Review (1968-79); Secretary, Kerala College Managements' Association (1969-79); President, Kerala College Managements' Association (1984-91); Executive member, AIACHE (1978-87); President, Xavier Board of Higher Education in India (1972-77); Senate Member, Kerala University (1975-80); President, Kerala Council of Catholic Colleges (1983-88) and Member of Syndicate, M.G University (1984-88). Rev. Dr. Vallamattam is also held in high esteem for his journalistic services and literary pursuits. He was called to eternal rest on 19th Sept. 2005.

The 2018 edition of Fr. (Dr) Vallamattam Memorial Lecture Series is scheduled to be held at 10.30 am on Monday, 17th September 2018 in the college auditorium. On the occasion Dr. Rajan Varughese, Member Secretary, KSHEC delivers the lecture on "Challenges of Higher Education"

Ms. Aparna Ashok

Nirmala College, Muvattupuzha is a first grade college which has completed 64 years of glorious service to the cause of higher education. The college is managed by the Catholic Diocese of Kothamangalam and treads on to conquer new heights in the path of academic excellence.

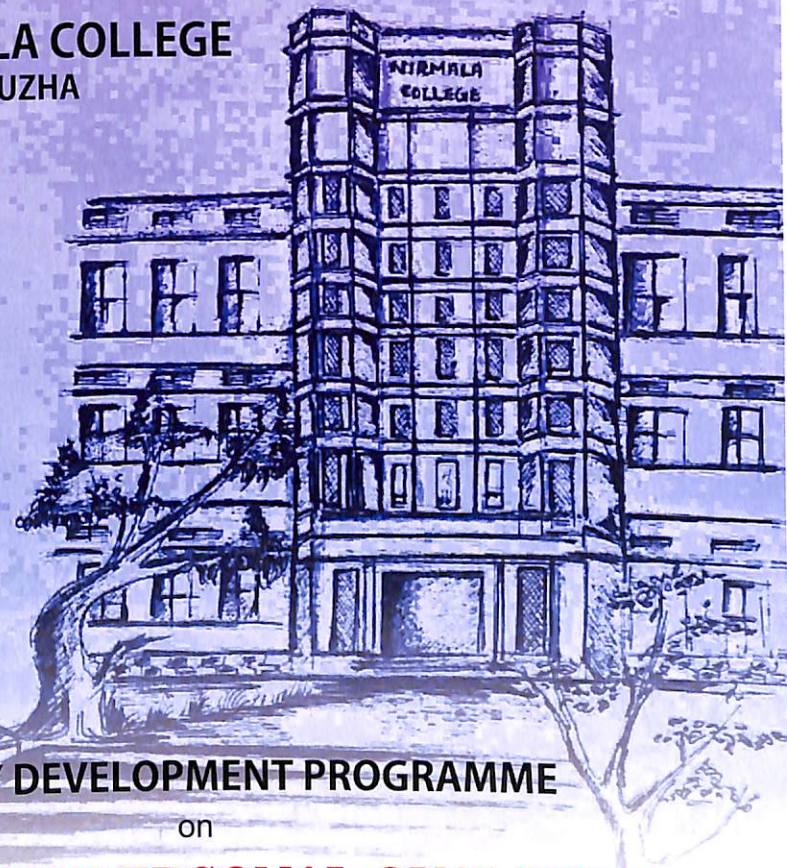

Towering aloft on the peak of a high hill, surrounded by luxuriant vegetation, intermingled with shady trees and distant from the clamour and confusion of the city, stands Nirmala College; the beacon light of learning and scholarship. Renowned for its picturesque landscape and tranquil serenity, the college provides a congenial atmosphere for study and research.

The college is situated in Avoly Panchayat of Muvattupuzha taluk in the district of Ernakulam. It was founded in 1953 by His Grace Most Rev. Dr. Augustine Kandathil, Arch Bishop of Ernakulam to meet the educational needs of the eastern districts of north Travancore, especially of the Catholic community, at a time, when higher education was the wildest dream of the ordinary people living in the villages and the suburbs. In 1955, the college was raised to First Grade by starting B.A., B.Sc. and B.Com courses. Post graduate courses were introduced in 1965 and research facilities are now available in six departments.

Thus over the years, the college has grown in size and stature. The divine legacy left behind by the founders of this college and the rich heritage built up by their successors have placed us on a high pedestal in the field of education and research. Now Nirmala is one of the foremost colleges in Kerala with over 2700 students and over 140 faculty members spread over 16 UG programmes, 14 PG programmes and 6 research programmes. The college is affiliated to Mahatma Gandhi University, Kottayam and is nationally accredited by NAAC at B grade (CGPA of 2.85) in March 2013. In 2017, the college is ranked on the 91st position among all arts and science colleges in India by the Ministry of HRD, Govt. of India in the NIRF rankings. Also, the college is accorded the star college status in 2017 by the Dept. of Bio-Technology, Govt. of India, in recognition of the advancements made by the science departments of the college in scientific research.

FOUNDATION DAY LECTURE

1 August 2017

Sir/Madam,

Towering aloft on the peak of Higher Education, Nirmala College, Muvattupuzha has been inspiring generations for the past 65 years. The Foundation Day Lecture series is instituted to commemorate our history and revisit and reconnect with the continuing journey of the College. We celebrate that we are blessed with such beautiful surroundings and wonderful facilities. We celebrate the joy of learning as we develop in mind, body and spirit, and we celebrate the bond that we share with past and present members of the Nirmala College fraternity.

We honour our Founding Fathers as we reflect on the commitment, resilience and dedication they displayed to see their vision of a great educational institution on the suburbs of Muvattupuzha 65 years ago!

The third Lecture in the series will be delivered by the eminent academician, scientist and a visionary, Rev. Fr. Dr. S. Ignacimuthu, S.J. on 'Increasing Personal Qualities to be a Great Teacher' on 4th October 2018 at 3.00 pm in the MCA Auditorium. The purpose of the Lecture is to throw light upon the pivotal role to be played by Teachers in moulding committed citizens for the Nation. Your esteemed presence is solicited during the Lecture.

National Anthem

Rev. Fr. Dr. S. Ignacimuthu, S.J. is a Jesuit priest belonging to an International religious congregation, Society of Jesus. He completed his M.Sc. Botany from St. Joseph's College, Trichy in 1978 securing University First Rank and Gold Medal. He completed his M.Phil in 1982 and Ph.D. in 1985 in the field of Genetics from the University of Delhi with outstanding merit. He secured D.Sc. in the field of Plant Biotechnology from the University of Madras in 2001. He began his teaching career in 1980 at St. Joseph's College, Trichy and became the Principal of St. Xavier's College, Palayamkottai in 1992. In 1996, he became the Director, Entomology Research Institute, Loyola College, Chennai. In 1997 he became the Principal of Loyola College, Chennai. In October 2000 he was appointed Vice Chancellor of Bharathiar University, Coimbatore and in June 2002, was appointed Vice Chancellor of University of Madras, Chennai. Presently he is the Director of Entomology Research Institute, Loyola College, Chennai.

As Principal and Vice Chancellor he made a mark in administration and academic reforms like introducing teacher evaluation by students, establishing poor students' scholarships, introducing choice based credit system, introducing Semester System with credits, compulsory social service scheme and transparency system of handing over the photocopy of all the answer sheets to the students. He has published more than 700 research papers and 70 books. His Tamil book on environmental awareness got the best book award from Tamil Nadu Government in 1995. He was awarded Tamil Nadu Scientist for Life Sciences (2000) by Tamil Nadu Government. He was also given Kamarajar Award for research on Environmental Management by Government of Tamil Nadu in 2009. The Royal Entomological Society, London awarded FRES (Fellow of Royal Entomological Society) for his outstanding contribution in Entomology. He is also a fellow of National Academy of Agricultural Sciences, New Delhi. He is Emeritus Scientist of UGC, CSIR and ICMR, New Delhi.

He has carried out more than 40 major research projects funded by government agencies and supervised more than 100 Ph.Ds and has many patents. PONNEEM an ecofriendly biopesticide was developed in his lab. One insect species - *Jacthrips ignacimuthui* and one natural molecule - *Ignaciomycin* were named after him. American Biographical Institute, USA and international Biographical centre, England have identified him as one of the 1000 great scientists in the world.

Muvattupuzha
8/10/2018

Msgr. Thomas Nedumkallel is the founder Principal and chief architect of Nirmala College Muvattupuzha. As a gifted teacher, educationist, linguist, powerful public speaker and an able writer, he remains a source of inspiration for all. He was born in a noble family at Kalloorkad in Ernakulam District on 6th Oct. 1906. After schooling, he joined the prestigious St. Joseph's College, Trichy and received the Bachelor's Degree in Chemistry from Madras University. He was ordained on 16th Nov. 1936. He secured Master's Degree in Malayalam and Sanskrit. Afterwards he embraced teaching career and joined the staff of St. Mary's High School, Aluva. Later he became the Head Master of St. Mary's High School, Koratty. During this time the Government of Kochi assigned to him, the post of Director of a short-term Graduate Teachers' Training Course. On 29th June 1953, the then Archbishop of Ernakulam, Mar. Augustine Kandathil, appointed him as the Principal of the newly erected Nirmala College, Muvattupuzha, where he continued till his retirement on 31st May 1970. It was his foresight and optimism that gave Nirmala its name and fame. After his retirement he was appointed as professor of Malayalam and Sanskrit at St. Thomas Apostolic Seminary, Kottayam, where he remained for the next fifteen years. His famous books are Ashramathil, Bharatheeyaabhimukhyam, Bharatheeya Dhyanyogam, Suryakantham, Chirakuvaccha Vakkukal, Smarana Darpanam, Kristhunama Sahasram, Mahatwa Geetam and 'Visa'. He was called to eternal rest on 27th April 1991.

Rev. Dr. Mathew Thottiyil , former Principal and Head of the Department of Chemistry, Nirmala college, Muvattupuzha was one of the pioneers who accelerated the growth of the department. Renowned for his knowledge in Chemistry and humane qualities , he led the department to great heights. Rev. Dr. Mathew Thottiyil secured Ph.D. from the University of Manchester, England in 1965. He joined Nirmala College as Lecturer in 1967 and served as the Head of the Department of Chemistry and retired as Principal of the College in 1984. As a man so humane and innately simple, he found a sure place in the hearts of his students and colleagues. A veteran Professor, an ardent devotee of learning, a scientist with unswerving curiosity and inquisitiveness. Rev. Dr. Mathew Thottiyil was a very lovable personality – artless and naive to the core with no pretensions. He was called to his heavenly abode on 10th November 2000 , leaving a void in the hearts of many.

Dr. V. G. Jayakumari, Scientist 'F': At present Head, Materials Science Division of Naval Physical & Oceanographic Laboratory (NPOL), Ministry of Defence, Thrikkakara, Kochi. She received M.Sc degree in Chemistry from M. G. University (Nirmala College, Muvattupuzha 1985), Kerala and Ph.D degree from Calicut University. Dr. Jayakumari subsequently joined National Institute of Interdisciplinary Science and technology (NIIST, Trivandrum) as Research Associate. After that she joined DMSRDE, Kanpur as scientist 'B' in 1991 and worked there on development of high performance polymers and composites. From 1995 onwards she is working at NPOL, in the Materials Science Division. She has actively contributed for solving material related issues of all system projects, development of acoustic absorbers, vibration damping materials and transducer encapsulation materials. Her research interests include acoustic absorbers and vibration damping materials, polyurethanes and conducting polymers for organic electronic sensors. She has published 15 papers in National and international journals and 60 papers in various national/ international conferences and has two Indian patents. Dr. Jayakumari received Sir C. V. Raman award in 2016 for the best paper contribution in Journal of Acoustic Society of India. She is Life member of Materials Research Society of India (MRSI), Society for Polymer Science, India (SPSI) , Institute of Smart Materials, Structures and Systems (ISSS), and Acoustic Society of India (ASI).

TEACHERS FOR ENVIRONMENT

An Educators Training programme in Urban Forestry and Protection of Environment

22-25
JANUARY
2019

Organised by

POSTGRADUATE AND RESEARCH DEPT. OF ZOOLOGY
NIRMALA COLLEGE, MUVATTUPUZHA, KERALA

Sponsored by

KERALA STATE COUNCIL FOR
SCIENCE TECHNOLOGY AND ENVIRONMENT

Dear Sir/Madam,

Concerned about reducing green cover and rising pollution levels as a result of increasing urbanization and associated environmental issues in Kerala State, it is high time to chalk out a plan to adopt a suitable method of afforestation to grow miniature forests amidst concrete jungles in urban areas. Its objective is to encourage an environmentally sensitive culture. The steps for such a movement promote responsible, economically sustainable, ecologically viable and socially acceptable approaches for the sustainable development of the State. It is generally understood that creating awareness and training to different stakeholders is the key to the success. In this scenario, a four day Environment Management Training Programme, funded by KSCSTE, Govt of Kerala for selected educators and postgraduate students including a one day field visit to KFRI Peechi is scheduled in our college from 22 to 25 January 2019.

This programme envisages deliberations from renowned scientists, environmentalists, foresters, lawyers and a series of activity oriented sessions for the man power development in environment management for better conservation and protection of environment. We request your esteemed presence and active participation in this training programme

Dr. Gigi K. Joseph

Nirmala College: A first grade college, established in 1953, is managed by the Diocese of Kothamangalam. It is affiliated to the Mahatma Gandhi University, Kottayam, Kerala, India and is reaccredited by NAAC in the fourth cycle. The college is located in a sprawling campus at Muvattupuzha, the eastern part of Ernakulam district, the gateway to the High Ranges. The college has been unfailingly occupied a premier position in imparting higher education with integral formation which involves academic excellence, spiritual growth and social commitment

Postgraduate and Research Dept. of Zoology: The Dept of Zoology became functional in 1967 with subsidiary Zoology for B.Sc. Botany course. B.Sc. Zoology course was started in the year 1982, and M. Sc. Zoology was introduced in 2001 with Environmental Science as specialization. In 2017, the department has been elevated to the status of a Research Dept. We have organised International, National and Regional seminars and has been active in biodiversity research, engages consultancy and extension with Govt. Departments, Other academic institutions and NGOs.

Programme Schedule

22-01-2019 Day 1

MAR MATHEW POTHANAMUZZHI
MEMORIAL LECTURE - 2019

Dear Sir/Madam,

Date: 05-02-2019

The sixth lecture of the prestigious Mar Mathew Pothanamuzhi Memorial Lecture Series will be held in the college auditorium at 2.30 pm on Tuesday February 5, 2019. **Sri. Perumbadavam Sreedharan** Malayalam Writer, has kindly consented to deliver the lecture on the topic “**Language and Culture**”. You are most cordially invited.

Dr. T.M. Joseph (Principal)

Ms. Sona George & Dr. Radhu S. (Co-ordinators)

Mar Mathew Pothanamuzhi (1903-1982)

Mar Mathew Pothanamuzhi, was the first Bishop of the Diocese of Kothamangalam. Under his patronage, Nirmala college soared to new heights in the field of higher education. He retired on 26.02.1977 and was called to eternal rest on 06.02.1982. A lecture series was instituted in his memory by Rev. Dr. Thomas Mathew Pothanamuzhi, the former faculty member of the Department of English and Bursar of Nirmala College.

Dr. Armstrong Sebastian

Associate Professor, Dept. of English

Prof. K.V. Joseph (Late) commenced his career as a lecturer at St. Thomas college, Pala in 1957. He later joined Nirmala college in the year 1959 as the Head of Botany Department. He pursued his Bachelors degree in Botany (Hons.) from S. B. College, Changanassery and Masters in Botany from University college, Thiruvananthapuram. He belonged to the famous Kureethadam family at Elangi.

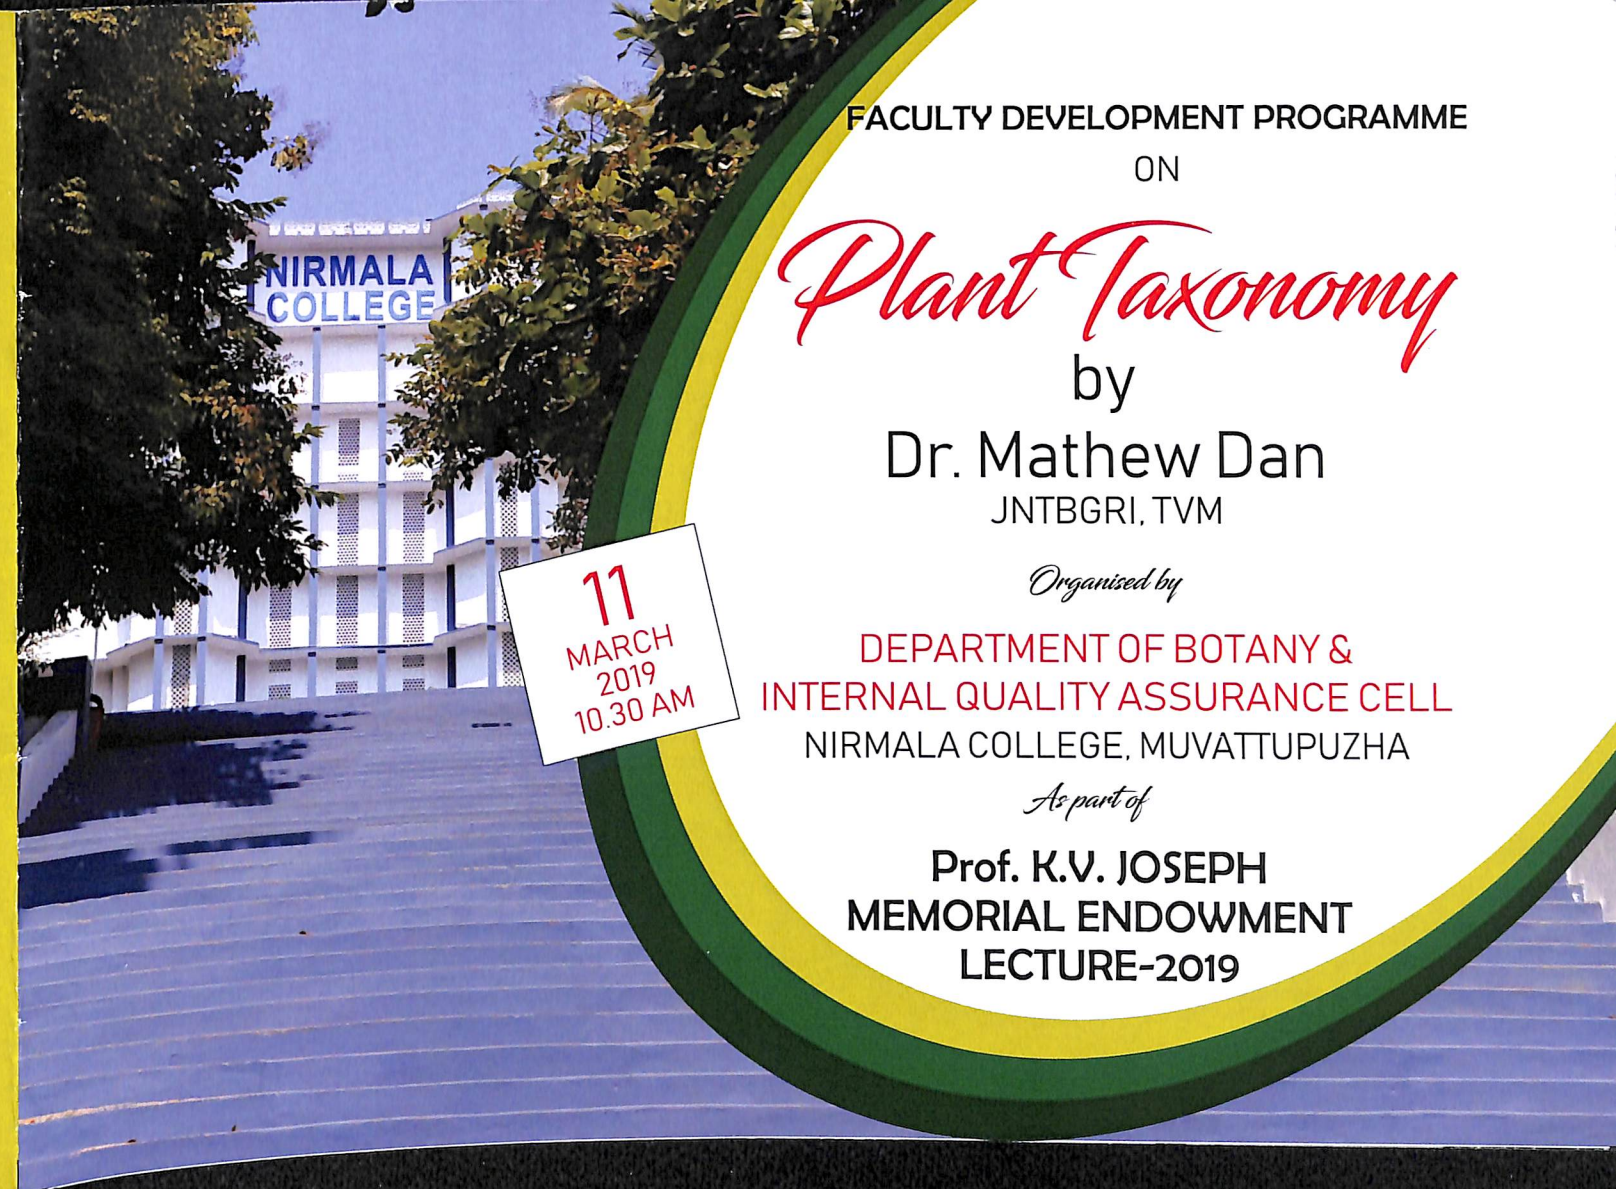

He had been instrumental for the development of the department after its establishment. He was an eminent taxonomist. As a teacher, he nurtured his students by emphasising the importance of faith in God, positive thinking and humility to lead a successful life. After 31 years of honourable service, he retired in 1990. He was called to his heavenly abode on 25th May 2015 leaving a void in the hearts of many. Now the department of Botany persists on the foundation stone laid by our beloved Professor K. V. Joseph who never dies in our hearts.

We are indebted to all those who preceded us. We drink from the wells we have not dug. We enjoy the liberties that we have not won. We share foundations we have not laid.

At the same time "*we are seeds of the future*". We dream, envisage and set things in motion. The fruition of our decision will be known to our successors. Let us partner in faith with those who have gone before us and offer the best we have to give to those who will succeed us.

Dr. Mathew Dan is a native of Pathanamthitta. He did his graduation and post-graduation from Catholicate College, Pathanamthitta. He pursued his doctoral research at Jawaharlal Nehru Tropical Botanic Garden & Research Institute (JNTBGRI), Palode, Thiruvananthapuram and was awarded Ph.D by the University of Kerala (2001). He later joined JNTBGRI as a scientist. He is an expert in the field of Angiosperm taxonomy and specializes in conservation and characterization of medicinal and aromatic plants. During 32 years of scientific service, he has reported 5 new species of flowering plants, and has published 62 research papers and 7 books. He has successfully completed 12 major R & D projects and 7 are currently under progress. For his contributions in the field, he has been awarded the Prof. T. R. Sahu Award in 2002, for the best paper on Medicinal Plant Systematics and Dr. P D Sethi Award in 2010 for the best research paper on applications of TLC/HPTLC in Pharma, Herbal Analysis. He was also awarded a sponsorship from British Council for internship at Royal Botanic Gardens, Kew, UK in 1995. He has been engaged as an Executive Council Member of Indian Association for Angiosperm Taxonomy and he is also a Member of State Medicinal Plant Board since 2016. He serves as a Research Guide at Kerala and Kannur Universities. He has produced 4 Ph. Ds and 6 students are close to submission. He has served as a member of Board of Studies and also served as external examiner for M. Sc, M. Phil and Ph. D. examinations in several Universities. Presently, Dr. Mathew Dan is Principal Scientist and Head of Plant Genetic Resource Division at JNTBGRI.
