OBJECTIVES OF THE PROGRAMME

Walk With a Scholar (WWS) scheme proposes to arrange specialised mentoring programs for students in undergraduate programs in arts, science and commerce to develop life skills for their future. Life skills are abilities for adaptive and positive behaviour that enable humans to deal effectively with the demands and challenges of life. The scheme envisages to develop important life skills like Decision making, Problem solving, Creative thinking/lateral thinking, Critical thinking/perspicacity, Effective communication, Interpersonal relationships, Self awareness/mindfulness, Assertiveness, Coping with stress, trauma and loss and thereby prepare them to excel in life.

It is open for all students entering the first year of the undergraduate programme of study. The scheme aims at giving necessary orientation to needy students, to prepare them for employment and give them necessary guidance, motivation and necessary mental support to identify appropriate areas for higher study as well as employment.

The mentoring scheme is planned to identify the opportunities available for the scholars, the areas suitable for them, the manner in which the scholar should proceed before them and evolve ways by which they can be acquired.

WALK WITH A SCHOLAR PROGRAMME 2018-19

ANNUAL REPORT

NIRMALA COLLEGE, MUVATTUPUZHA

OBJECTIVES OF THE PROGRAMME

Walk With a Scholar (WWS) scheme proposes to arrange specialised mentoring programs for students in undergraduate programs in arts, science and commerce to develop life skills for their future. Life skills are abilities for adaptive and positive behaviour that enable humans to deal effectively with the demands and challenges of life. The scheme envisages to develop important life skills like Decision making, Problem solving, Creative thinking/lateral thinking, Critical thinking/perspicacity, Effective communication, Interpersonal relationships, Self awareness/mindfulness, Assertiveness, Coping with stress, trauma and loss and thereby prepare them to excel in life.

The scheme introduces the idea of mentoring and builds on the concept of mentor as a guide and a friend. The mentoring scheme for students is purely voluntary in nature. It is open for all students entering the first year of the undergraduate programme of study. The scheme aims at giving necessary orientation to needy students, to prepare them for employment and give them necessary guidance, motivation and necessary mental support to identify appropriate areas for higher study as well as employment.

The mentoring scheme is planned to identify the opportunities available for the scholars, the areas suitable for them, the manner in which the scholar should proceed before them and evolve ways by which they can be acquired.

Walk With a Scholar programme is a continuous mentoring programme introduced by 'New Initiatives' in the Directorate of Collegiate Education, Thiruvananthapuram. The scheme proposes to arrange specialised mentoring programmes for students in undergraduate programme in arts, science and commerce and to provide guidance for their future.

During this academic year 60 students (30 first year and 30 second year) from nine departments had been selected on the basis of the marks secured for their higher secondary examination. The list was approved by College level monitoring committee.
