Summary Report of the Programming Skills Enhancement

The Post Graduate & Research Department of Statistics, Nirmala College, Muvattupuzha organized a 30 hour certificate program on programming skills based on SAS. The beneficiaries of the program are the M.Sc. Statistics students. The classes started on 8th January 2019 and ends on 26th March 2019.

Assessment Procedure of the Programming Skills Enhancement

The Post Graduate & Research Department of Statistics, Nirmala College, Muvattupuzha organized a 30 hour certificate program on programming skills based on SAS for the M.Sc. Statistics students. Statistical Analysis Software or simply SAS is a well-known software used in the field of data analysis, especially in the areas of Pharmaceutical and Medical analysis. The classes started on 8th January 2019 and ends on 26th March 2019. The classes arranged in the department lab and the evaluation process accompanied by online assignments. All students except B. Roshna, who discontinued the M.Sc. Statistics program, completed the course successfully. The certificates are issued at the end of the programme.
