OBJECTIVES OF THE PROGRAMME

Walk With a Scholar (WWS) scheme proposes to arrange specialized mentoring programs for students in undergraduate programs in arts, science and commerce to develop life skills for their future. Life skills are abilities for adaptive and positive behavior that enable humans to deal effectively with the demands and challenges of life. EXTERNAL MENTORING

Reputed persons from public and private sector were invited as external mentors. Proven expertise and merit were the criterion followed for identifying external mentor. 50 hours of external mentoring classes were provided to the students of the programme during this academic year. Mentoring is important, not only because of the knowledge and skills students can learn from mentors, but also because mentoring provides professional socialization and personal support to facilitate success in graduate school and beyond. Quality mentoring greatly enhances students' chances for success. Students who experience good mentoring also have a greater chance of securing academic tenure-track positions, or greater career advancement potential in administration or sectors outside the campus. Mr. Eldo Paulose, Mr. K.J. Sudhevan,

Mr. Shibu Damodar, Ms. Rakhee Vijay Nair, Mr. Sarath T.R., Mr. Aslam P.S., Mr. Jinse Paulose and Mr. Sajith Thomas conducted sessions as external mentors.

MOCK TEST FOR SECOND YEAR SCHOLARS

Two civil service mock tests had been conducted for second year scholars on February 04th and 15th 2019. Faculty members from Nirmala civil service academy prepared the question papers and evaluated them. In addition to the mock tests, special orientation programme had been conducted to the scholars to prepare them for upcoming civil service preliminary examination.
