Recognising the mutual interest in the fields of research, development, education, training, transfer of technology and dissemination of knowledge to the students of Dept. on a long term basis hereby agree to establish collaboration according to terms and conditions set out in the articles following hereunder.

ARTICLE 1 - FIELD OF CO-OPERATION

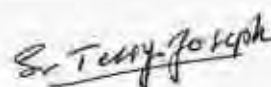

Co-operation between the two institutions may be established within any field related to science and technology of mutual interest and in particular in the fields of research, development, education, training, and dissemination of knowledge to the students of Department on a long term basis.

ARTICLE 2 – ACADEMIC RESEARCH PROJECTS & TRAINING PROGRAMMES

1. Students & faculty of College of Pharmacy can utilise free service of Dept. for plant identification & related activities.
2. Students & faculty of Dept. can utilise the facilities of College of Pharmacy for carrying out their academic Projects.
3. Each student will be sent by the Dept. to college of Pharmacy for the research works for a mutually approved duration of time.
4. Both College of Pharmacy and Dept. shall explore the possibilities of mutual support in their learning, hiring, research, manufacturing activities as well as in the procurement of raw materials based on mutual convenience.
5. Every student under the program shall pursue their research program which is developed in consultation with the parent institution, and which is not in conflict with the regulations of the host institution. The appointed supervisor at the host institution will provide a report on the student to the parent institution on completion of his/her tenure/term. However, the two supervisors will jointly guide the students, until they complete their theses and are awarded degrees.
6. The Faculty concerned of the Dept. will be responsible for arranging the study program of the student.

01.12.17

7. Both College of Pharmacy and Dept. will provide various training programmes for the benefit of the students for a fees mutually agreed upon by the two institutions.

ARTICLE 3 -MANAGEMENT AND ADMINISTRATION:

1. Negotiation, implementation and co-operation of the Memorandum of Understanding fall under the responsibility of College of Pharmacy and Dept.
2. Issues about specific activities including rights and obligations of each party shall be notified or communicated to the offices mentioned above.
3. This Memorandum of Understanding shall have duration of five years and renewable for another five years, unless either party gives notice of termination not later than three months prior to the expiration of the existing Memorandum of Understanding. However, either party can also terminate by giving notice of termination not less than six months.
4. The Memorandum of Understanding will take effect upon ratification by the Principal, Nirmala College of Pharmacy and Head, Department of Botany.
