Xavier Board

Xavier Board of Higher Education, Nirmala College Muvattupuzha Unit has initiated a variety of programmes to bring about a radical change in the mind set of teachers - a shift in their concept of teaching from a mere profession to a noble vocation. Xavier Board also initiated many programmes to make the students look further than their own selves - to give them a deep concern for others.

Conscious effort is made by the College authorities to help the students identify values that are meaningful to them. ***On every Friday, the first half an hour is set apart for Value Education.*** Topics to be discussed during these period are prepared before hand and distributed to the teachers-in-charge. These classes, no doubt, offer a good platform for the teachers to inculcate a strong value base in students. There is ***annual evaluation of the students*** to see how the lessons help them to internalize the values. Awards are given to the toppers.

Under the initiative of Xavier Board unit, the College started, a religious Annual entitled '***The Campus Light***' with insights on morals and spirituality from teachers and non-teaching staff. The warm approbation received from all quarters encouraged the College authorities to continue with this publication every year. It is a humble attempt to ignite a divine spark within the College community. ***The 8th issue of 'Campus Light' was released.***

Spiritual Animation Programmes are conducted for students annually. A three day residential retreat is offered for Christian students and Life Orientation programmes are conducted for non-Christian students.

Christmas message was given by Rev. Fr. Sotter Peringarappilly, Vicar Nirmala Matha Church, Muvattupuzha. His Excellency Bishop Sebastian Edayanthruth delivered a talk for the entire college community to strengthen and sustain them spiritually.

We also provide noon meals to the poor students of the campus with the fund pooled from the teachers. Tutorial system helps the teachers to identify the needy. We have also a Counselling Cell in the College. Professional Councillors are available in the campus on every working day. They also interact with the students in the class rooms during the free hours. There are teacher councillors also who underwent training in counselling from the M.G. University, to help the students through personal counselling.

Along with intellectual formation, the College also provides umpteen opportunities for the staff and students to grow in a true Catholic spirit.
