## XXIII. LIBRARY

The Library at Nirmala College has been actively engaged in a diverse range of activities to enhance the academic and research experience of its users during the academic year 2022-2023. These activities encompassed various aspects such as resource access, collection development, user orientation, celebrations, technological advancements, and administrative functions. The librarian Sri. Jomy Jose played a crucial role in coordinating all the activities.

**1. Resource Access and Collection Development:** The library facilitated access to extensive e-resources through NLIST-INFLIBNET and DELNET programs, offering users access to thousands of e-journals and e-books. Additionally, the yearly membership renewal of DELNET allowed borrowing books from various libraries and accessing online catalogues. The Collection Development Program sought to enhance the physical book collection by inviting recommendations from teachers, ensuring alignment with the latest MG University syllabus.

**2. User Orientation and Celebrations:** The library organized orientation classes for new UG and PG students, providing essential information on library resources, rules, and e-resources. Various book exhibitions were conducted to celebrate events like Reading Day, featuring newly purchased and released books. Special sections, such as the Gandhian Literature Section, were highlighted during specific periods, showcasing the library's unique collections.

**3. Technological Upgrades and Maintenance:** Several technological advancements were implemented, including the installation of a new Wi-Fi router, Smart TV for information dissemination, and SSD upgrades for faster computer performance. Barcode scanners were installed at entry and exit points for efficient user identification. The library blog was regularly updated to keep users informed about ongoing activities. Routine maintenance activities, including CCTV troubleshooting, signage works, and shelf rectification, were carried out to ensure a conducive and secure environment.

**4. Administrative Activities:** The librarian played a key role in coordinating administrative activities, including the organization of college tours, assistance in the college union election, participation as a judge in events, and coordination of retirement meetings. Regular meetings of the Library Advisory Committee were conducted to ensure the quality of library services. The library also extended its services to the general public on Saturdays.
