

BRIDGE COURSE**REPORT 2014-19**

College has been conducting Bridge Courses for the first-year undergraduate students for the last seven years. The course is arranged on almost all the departments to bridge the knowledge gap of students. It is designed to link higher secondary syllabi to the syllabi of under graduate courses at the entry level. It also aims to impart basic concepts of discipline which do not form part of earlier programme. The course is designed with a syllabus under a department coordinator and heads of the department monitors the overall conduct of the course. Department of Economics, Hindi and Commerce are offering this course to their students. Students coming from different academic background are getting the benefit of this course.
